

ROKEBY PRIMARY SCHOOL NEWSLETTER

Friday 25th September 2026

As we come to the end of another busy and successful week, I would like to take a moment to celebrate the fantastic efforts of our pupils. The school has been full of enthusiasm, curiosity and determination, with children engaging positively in their learning and making the most of the many opportunities on offer. It has been wonderful to see so many smiling faces around school, and I would like to thank our families for their continued support in ensuring children attend regularly and arrive ready to learn. We are incredibly proud of all that the children have achieved this week and look forward to sharing some of our highlights with you below.

Nursery have enjoyed a very colourful week, exploring the colours purple, blue, pink, brown and grey. The children have taken part in painting, mark-making and creating patterns using magnetic shapes. They have also used coloured counting bears to sort, match and discuss different colours, helping to develop both their mathematical understanding and language skills.

Reception have begun their phonics journey this week. The children have been introduced to the sounds **s, a, t and p** and have been practising recognising, saying and identifying these sounds in their daily learning activities.

In **Year 1**, the children have been developing their artistic skills by using watercolours to create beautiful ocean scenes. They chose whether to paint a stormy or calm sea and selected colours to reflect the mood of their artwork. In History, they continued their learning about seaside holidays in the past and present, making comparisons between how people enjoyed the seaside then and now.

Year 2 have had a fantastic week and have been highly engaged in their learning, showing enthusiasm and determination across all areas of the curriculum.

Year 3 have made the most of the sunny weather by taking some of their learning outdoors. They have enjoyed practising their coordinate skills and developing their confidence in reading and plotting coordinates.

Meanwhile, **Years 4, 5 and 6** have been working hard in their classrooms, demonstrating great focus and commitment as they continue to immerse themselves in their learning and tackle new challenges.

Attendance Update

This week, our whole-school attendance was **94.2%**, which is a great achievement. Well done to everyone for coming to school each day, ready to learn and eager to take part in all the exciting activities happening in our classrooms.

A special congratulations goes to **Reception**, who achieved the highest attendance in the school this week with an outstanding **98.9%**. What a fantastic effort! Well done, Reception, and keep up the excellent attendance.

Special Fridays with Clemmie

One of the highlights of our week is welcoming **Clemmie, our school dog**, every Friday. Clemmie has become a much-loved member of our school community and provides pupils with a wonderful opportunity to connect, interact and build confidence.

Many children look forward to seeing Clemmie each week. Whether it's greeting her in the morning, spending time reading with her or simply enjoying her calm and friendly presence, Clemmie helps create positive experiences that support pupils' wellbeing and engagement with school. For some children, knowing that Clemmie will be in school on Friday provides an extra motivation to attend and helps make school feel like an exciting and welcoming place to be.

Together, let's continue to work towards excellent attendance because every school day is a chance to learn, connect and thrive.

Come In to Connect. Be Here. Be Part of It.

RUGBY
Art Gallery
& Museum

NIGHT AT YOUR MUSEUM OUT OF THIS WORLD

FRIDAY 23 OCTOBER | FROM 5.30PM

Adults and Children £4.50 | Under 2's FREE
