Note: All GISD employees (except Bus Drivers and Monitors) are paid based on annualized pay:
Hourly rate × scheduled hours/day (usually 8) = Daily rate
Daily rate × workdays on your calendar = Annual earnings
Annual earnings ÷ paychecks/year (typically 24) = Pay amount on your paycheck
This amount stays the same each pay period.

Annualized Pay Reminder
Employees are paid using the annualized pay method, based on their assigned work calendar.
Timesheets are not used to calculate primary pay. They are required only for reporting absences and documenting any overtime or additional hours worked.
