Enjoy the Game. Show Your FS Pride.

Dear FS Families and Community,

One of the things we love about being a Maroon Knight is seeing our community come together to support our students. There is nothing better than a packed sideline, gymnasium, or set of bleachers filled with families, friends, classmates, and community members cheering for our student athletes. As our fall season continues, we want to share a few simple reminders that will help keep our athletic events **safe, positive, and enjoyable for everyone.**

First and foremost, the game should be about the kids who are competing. Our student-athletes and coaches work incredibly hard, and they deserve an environment where families and spectators can watch, cheer, and enjoy their efforts. We love seeing our younger Maroon Knights at our games too! However, elementary-aged children attending athletic events must be accompanied and supervised by an adult throughout the event. An athletic contest cannot become a substitute for childcare, and our staff and event supervisors cannot be responsible for monitoring children who have been dropped off or are attending without adult supervision.

We also ask everyone to help us keep spectator areas safe. Bicycles, footballs, soccer balls, and other recreational activities should be left at home during athletic events. Riding bicycles, e-bikes, scooters, through crowds, throwing or kicking balls near spectators, wrestling, tackling, or running throughout spectator areas creates unnecessary safety concerns and takes away from the experience of those who are there to watch the game. And, as always, **FS Pride** applies to our adults too. Cheer loudly. Be passionate. Support our Knights. But please treat student-athletes, coaches, officials, opposing teams, and fellow spectators with respect. Our students are always watching how the adults around them respond to competition, disagreement, and adversity. The example we set matters.

None of these expectations are intended to take the fun out of attending a game. In fact, they are intended to do exactly the opposite. We want our athletic events to be places where our students compete, our younger kids dream about someday wearing a Maroon Knights uniform, our families connect, and our community enjoys being together. That takes all of us.

Come to the game. Bring your family. Cheer loudly. Enjoy each other. Show your FS Pride. And most importantly, let's keep the focus where it belongs, on our kids.

Thank you for continuing to help make FS a special place.

Go Knights!
