HOMECOMING WEEK 2026!

We had a great week decorating hallways, playing games at lunch, watching a parade, and having a great pep session! Thank you to all of the parents who came and volunteered Friday afternoon.

Next week is our last week prior to Fall Break. On Friday we will be having our end of the first nine weeks celebration by going Roller Skating in Greenfield. Permission slips were passed out today for all students who qualified with work completion and having turned in their assignments. The field trip costs \$10. The elementary side will go in the morning and the Jr. High side will go in the afternoon.

Our fall sports are winding down and are soon to wrap up. Shortly after fall break winter sports will have their tryouts. Be on the lookout for more information.

Next Tuesday, 9/29, we have our picture retake day. Any student who missed the original day or would like a different picture, please plan on addressing that next Tuesday.

Have a great weekend!

KIS Character Matters!

Every month KIS selects an important character trait that all KIS students should demonstrate to be successful members of society. Every week during that month, teachers nominate those students who portray the monthly character trait. This month is RESPONSIBILITY!

THE YEARBOOK BUZZ

Homecoming Parade

This week was the Homecoming Parade. Leading the parade was the Knightstown Police Department and they threw so much candy in the beginning. The middle school band was next and played so well with the big crowd yelling and screaming with excitement. The fire trucks were blaring their sirens while the spectators were cheering, and one of them honked the horn. The soccer teams were throwing the candies and yelling peoples' names they knew. The football team was yelling and screaming, "Catch it! Catch it!" throwing candies to anyone they saw.

The principals were trying to get the attention of the crowd by yelling and screaming the song lyrics that they were playing. The crowd was going to the side of the road to get as much candy as they could fit in their bags. They were shouting, "Throw some candy!" As they were yelling, people were trying to go up to get more candy. The cheerleaders were yelling so people could hear them chanting about Knightstown. There was a witch there riding a bike and everyone was laughing when she rode past them. It was a great time for everyone there!
