October Parent-Teacher Conferences

Parent-teacher conferences are scheduled for October 8th and 9th. Please sign up for a conference time with your child's teacher by October 2nd. These conferences are a valuable opportunity to discuss your child's strengths and areas for growth, and we look forward to partnering with you. If you would like to meet with a special's teacher, conferences can be arranged by contacting them directly via email.

Dig Day

To kick off our Ancient Egypt unit, students will be participating in a fun and interactive archaeological dig! Students may wear denim and a uniform shirt. Please note that this activity may get messy, so white shirts are not recommended. We're excited to start exploring Ancient Egypt—beginning with digging for “bones” like real archaeologists!

Thirty Days Hath September

Due: This Week

Thirty Days Hath September

Thirty days hath September.

April, June, and November.

All the rest have thirty-one,

But February has twenty-eight alone,

Except in leap year, that's the time

When February's days are twenty-nine.
