Parent Resource Center

Visit the Parent Resource Center in the Media Center for academic resources and materials to support your child's learning at home.

Hours: Monday–Friday, 8:30 a.m.–2:45 p.m.

Questions?
Contact: Jayme Batiste, Family Engagement & Media Specialist
jayme.batiste@atlanta.k12.ga.us | 404-802-7507

At F. L. Stanton, parent engagement means two-way communication and active participation in your child's education.

We believe parents:
- Play an important role in supporting their child's learning.
- Should be actively involved in their child's education at school and at home.
- Are full partners in their child's education
- Should have opportunities to participate in school activities and programs.

Dr. Qualyn McIntyre, Principal

School Plan for Shared Student Achievement

What is it?

This plan describes and outlines how Frank L. Stanton Elementary School will provide opportunities for families to be engaged in and support student learning. We value the contributions and involvement of families and are committed to building an equal partnership focused on improving student achievement.

How is it developed?

Parents and families may provide input and comments throughout the school year through online surveys, “Let’s Talk”, parent meetings and school activities. The plan is posted on the school website so families can review it and provide feedback throughout the year. Feedback received during the school year will be considered when revising the plan for the following school year.

Who is it for?

All students participating in the Title I, program and their families are encouraged and invited to fully participate in the opportunities described; including parents with limited English proficiency, parents with disabilities, and parents of migratory children.

Where is it available?

The plan is available on the school website and is sent home with students. Parents and families may also obtain a copy in the Parent Resource Center.

2026-2027 School Goals

Our students will be well-rounded individuals who possess the necessary academic skills and knowledge and are excited about learning.

Literacy: By the end of 2026-2027 academic year, literacy achievement will increase by a minimum of 4% as evidence by the number of scholars scoring proficient or higher on the EOG.

Math: By the end of the 2026-2027 school year, the number of students scoring proficient or above on the Mathematics EOG Milestones Assessment in grades 3-5 will increase by a minimum of 4%.

What Is Title I?

Frank L. Stanton Elementary School is a Title I school under the Elementary and Secondary Education Act of 1965 (ESEA).

Title I is a federally funded program that:

- Provides additional support to schools based on students’ economic needs.
- Supports state and local efforts to improve teaching and learning and help students meet state academic standards.

Family Input Matters

Title I schools are required to develop a written Parent and Family Engagement Policy with input from parents and families.

School-Parent Compacts

F. L. Stanton and our families work together to develop a School-Parent Compact—an agreement that outlines how parents, teachers, and students will work together to help all students meet grade-level standards.

Compacts are reviewed and updated annually using feedback from parents, students, and teachers during the Parent and Family Engagement Policy and School-Parent Compact Revision Meeting.

A copy of the School-Parent Compact brochure is provided to every family for use throughout the school year.
