REFERRAL DATA

ISIC- In School Intervention Center

ISIC referrals are for minor behavior infractions that cannot be resolved in the classroom.

ODR- Office Discipline Referral

ODR referrals are for major behavior infractions that cannot be resolved in the classroom or through ISIC detention.

55% less ODRs than last school year!

FAMILY SURVEY

100% reported seeing most students following the 3Rs

Take aways from the survey responses:

Schoolwide expectations are visible and effective.

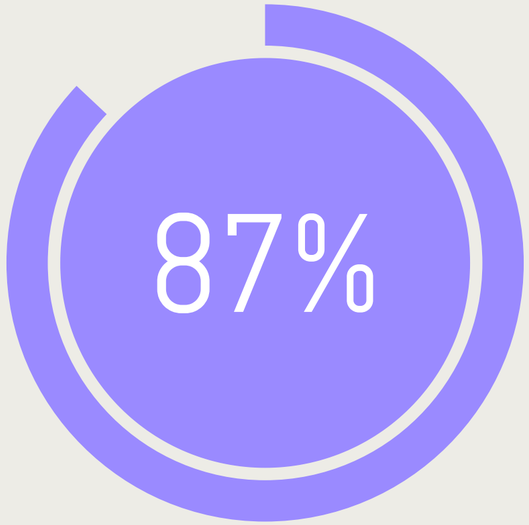

Family events build stronger connections and bring families into schools to see learning.

Positive, supportive, and welcoming interactions are a major strength.

Goals to Improve:

- Add parent representative to the MTSS team
- Include more professional development for staff throughout the year
- Set monthly goals based on data to target behavior and academics

Thank you for all you do each day to support our kids at school and at home. The love and dedication of our staff, families, community members, and students makes GKES the great school it is.
