

MUSD HOLIDAY SHARE 2026

Dear Mountain View Lion Community,

Lets make this Holiday Season memorable for everyone.

For many, the holidays can be a difficult time. Generosity reminds people that they are seen and supported. The holiday season is a time of joy, but we understand that it can also bring financial stress for many families. Whether it is clothing, shoes and gifts, MUSD Holiday Share is here to support our families. We have teamed up with Social Family Support Services to spread hope and joy for those who need it most. Every donation can brighten the holidays for families and individuals facing challenges in our community. To ensure families receive essential items and gifts for this holiday season, we need to help spread the online applications and hard copy applications to the public. As the coordinator for Mountain View High School Holiday Share, I am asking everyone who is willing to adopt families, connect with me as soon as possible. I will be organizing the wish lists for the Mountain View High School families. Please contact me for Holiday Share information and donation inquiries.
