- Please DO NOT park in the bus loop [along the front sidewalk], we have buses throughout the day that need access to that area.
- You will need a photo ID to pick up your child from school at any time
- Only live in guardians can pick up students without prior authorization - this includes emergency contacts unless contacted by the nurse
- Dismissal changes must be made by 1pm, if not they will require administrator approval and may not be honored
- Being an emergency contact does not allow someone to pick up your child unless the school reaches out to them, the guardian needs to send in an email to give premission prior to them picking up

From the cafeteria:

This week and next week we will be featuring fresh fruits and vegetables that have all grown on local farms. We have watermelon, cucumbers, tomatoes, green peppers, yellow squash and zucchini, and potatoes. We even have sweet corn that our very own Robert Moton 5th grade students helped husk the corn. Please encourage your students to try some of this wonderful produce

Notes from the Nurse:

As the cold and Flu season is upon us here are a few reminders from the Nursing office:

Please keep your student home if they are sick that includes fever, persistent coughing, diarrhea and vomiting. If you aren't sure whether or not to send your student, then they should probably remain home for observation.

Call the front office at RME to notify the attendance of your student's absence as well as the reason.

Students with fevers over 100.0 must stay home. If they have had diarrhea or vomiting the evening before or morning of school, they must stay home. Please DO NOT medicate your student and send them to school; this only masks the fever and illness; they are still sick and able to spread their germs to the others.

Finally, please teach your students proper handwashing technique and coughing etiquette, ie: coughing into their elbow and using a tissue, washing their hands before and after they use the bathroom, before they eat, and if they have coughed into their hands or blown their nose.

There will be a Flu clinic at RME after school on October 22 put on by the local Health Department. Stop in and get your student their Flu vaccine.

MARK YOUR CALENDARS - OUR FAMILY EVENT SCHEDULE IS HERE!

We have an exciting year of family fun and learning planned! We can't wait to learn, create, and make memories together throughout the year. More details and invitations will be sent home before each event.

Last year Robert Moton transitioned from a PBIS (Positive Behavioral Interventions and Supports) School to a PAX School. It was a year of learning and growing for everyone, students and staff alike!

This year we hit the ground running. Those who attended Back to School Night heard from grade level teams about PAX and what it entails. In case you missed it, the PAX Good Behavior Game (PAX GBG) is an evidence-based intervention designed to foster nurturing environments within classrooms.

PAX promotes peace, productivity, health, and happiness among students using simple, effective strategies that influence behavior. Students are encouraged to contribute to a positive classroom community in how they act, speak, and learn.

Each month, PAX provides a calendar of PAX positive activities to encourage our efforts to promote prosocial behavior. I encourage you and your family to give some a try!
