Student & Family Supports

Parent/Guardian Participation
Our parents/guardians are expected to take an active role in their student's learning experience. Parents/guardians are highly encouraged to attend school events and appointments. A parent/guardian should make every effort to provide the student with the necessary assistance and instruction for completing assignments on a daily basis.

Parents/guardians should create a personal learning environment at home that will:

- Establish a routine for daily lessons.
- Provide a quiet, well-lit workspace without distractions.
- Follow a routine that suits the family, but gives priority to the student's education.
- Assure that needed materials are on hand (school supplies, materials for science experiments, etc.).
- Assure that tutoring and/or the school on-site support classes are utilized if needed for the student's academic achievement.
- Set aside time every day to review and correct completed assignments and to plan the next day's school assignments and activities.
- Keep a positive attitude and include enjoyable educational projects and activities that provide the variety needed to keep the student interested and motivated.

School Site Council / Advisory Board
Parents, students, staff, and community members can get involved in the decision making process with the school in several ways. The most common way is to either attend or be a member of what is known as the school's Advisory Board/School Site Council. The Advisory Board/School Site Council consists of parents, students, teachers, administrators and community members. The Advisory Board/School Site Council makes recommendations to the school administration and governing board on curriculum, activities and events, policies and procedures, and the general operations of the school. Members are elected to the Advisory Board/School Site Council during a general election process where electronic nomination forms and ballots are distributed to interested families and staff at the school. Ballots are then counted and new members are announced.

School Outreach
Our staff, including office staff, counselors, teachers and others, may reach out to you to check on the wellbeing of your student. This outreach may include emails, phone calls, messages on ParentSquare and/or home visits.

Back to School Night & Similar Events
Each fall we provide our parents the opportunity to learn more about their school and specifically their student's instructional program. At Back to School Night, teachers will greet families that enter their classrooms and answer any questions they might have.

In addition, MSCS DLA hosts additional events where students and families have the opportunity to meet with vendors that represent local support resources available to them.

Mental Health Counseling and SEL Support
Our school offers SEL support to all students and mental health counseling on an as-needed basis. Teachers and office staff have more information on how to receive services.

Foster Youth Services
The Foster Youth Services Program is designed to assist students who are placed in State Licensed Group Homes and Foster Homes. Foster Youth Services assist Merced County foster students in working with social workers, school staff, and community service agencies to influence their day-to-day routine both during and after school. The goals are to stabilize foster care placement and enhance academic success by assisting in the improvement of academic achievement and reducing disciplinary problems, juvenile delinquency, truancy, and student dropout rate.
Services provided are:

- Tutoring, counseling, mentoring
- Transitional services
- Ensure appropriate school placement
- AB 490 advocacy

Meals
As part of the California's Universal Meals Program, which began in the 2022-23 school year, all students receive free breakfast and lunch on the days they attend school.

Clothing & Hygiene Closet / Pantry
Because we know that all families struggle from time to time, our school maintains a stock of common necessities. Please see the office staff or Youth Engagement Specialist for access.

Medication
No medications are allowed at school (including over-the-counter medications). In compliance with Ed. Code Section 49423, no medications will be accepted or administered without **meeting the following requirements**:

- Physician and parent/guardian request forms filled out completely including both physician and parent signature (forms are available at school). No medication will be administered without detailed physician instructions.
- Medication taken to school must be furnished in its pharmacy labeled bottle or in the original pharmacy labeled injectable medication kit.
- Nonprescription medications such as aspirin, Tylenol, etc., will not be administered at school even at parent's request. As a parent/guardian, you have the right to bring medication to the school and administer said medication to your student.

Participation in School Sponsored Activities

Participation in school sponsored activities such as field trips is a privilege and created to enrich the school experience. In order to participate in these school sponsored activities, a student should be in good standing with their coursework and follow all school behavior expectations. While participating in school sponsored activities students are expected to conduct themselves in a way that best represents themselves and the school.

Field Trips

Our school periodically offers field trips. Students must have a signed permission slip collected by the staff member coordinating the field trip. When appropriate, parents may be asked to chaperone field trips.

Appropriate dress and grooming contribute to a productive learning environment. We expect students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process. (MCOE Policy 5132, MCOE Regulation 5132)

The following guidelines shall apply to all regular, extracurricular or other special school activities:

1. Shoes must be worn at all times. For safety reasons, soled footwear is required at all times. Slippers are not appropriate footwear for school. When participating in PE or gym activities, students MUST wear proper footwear.

8. Blankets are NOT allowed.

Any article of clothing and accessories and/or appearance likely to cause a disruption to a student's education, campus health and safety, is a final decision of the school administrator or designee. If students do not meet dress code expectations, they will be asked to change their article of clothing and use one of the school's articles of clothing when available.The school dress code will be regularly reviewed. Students shall be informed about dress and grooming standards at each orientation and whenever these standards are revised. A student who violates these standards shall be subject to appropriate disciplinary action.

Gang-Related Apparel

Our school prohibits students from wearing "gang-related apparel." The definition of "gang-related apparel" is any apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282)

Public Displays of Affection

Being overly affectionate in school creates an environment that is not conducive to concentration and learning; therefore, students should refrain from inappropriate, intimate behaviors on campus or at school related events and activities. Students are expected to show good taste and conduct themselves respectfully at all times.

Community of Care, PBIS & MTSS

First and foremost, we are dedicated to the whole-child growth and development of our students. Grounded in our belief that belonging is the prerequisite to learning, we make every effort to ensure our students are deeply seen, heard, known, and cared for.

Rather than relying on generic compliance or punitive measures, we prioritize restorative relationship repair and natural, logical consequences that teach positive behavior and heal harm. To support every Shark's academic, social-emotional, and behavioral growth, we maintain a robust Multi-Tiered System of Supports (MTSS) alongside campus-wide Positive Behavioral Interventions and Supports (PBIS) centered around our core S.H.A.R.K. values.

Discipline

Our school believes that meaningful learning best occurs when students feel safe, valued, and held to high expectations within a warm, orderly environment. We provide all students access to high-impact educational opportunities in a supportive space that protects their safety, honors their identity, and promotes their long-term development. Our school adheres to MCOE discipline policies that specify standards of behavior for students and the clear, fair procedures for addressing violations of those standards, up to and including suspension and/or expulsion when necessary for safety.

We strictly adhere to all state and county policies and regulations regarding the suspension or expulsion of students. No student shall be involuntarily removed by the school for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action [Education Code 47605(b)(5)(J)(iii)].

Teaching self-discipline, personal accountability, and a lifelong love of learning is a primary goal of our school. Mutual respect is the foundation of our campus culture. Regardless of age, every member of our school community deserves to be treated with dignity and curiosity over judgment.

Furthermore, the right to student privacy is paramount. We maintain strict confidentiality regarding student progress and behavior. Behavior choices and disciplinary matters are handled privately and are never discussed in front of other students, staff, parents, or community members.

Each school year, our staff model and utilize the following proactive behaviors with our students:

- Practice clear, empathetic communication and restorative problem-solving skills.
- Deal directly with observable behaviors and specific student needs, never personalities.
- De-escalate conflicts to avoid placing students in "Win/Lose" power struggles.

Our school defines good, restorative discipline by the following characteristics:

- It is timely and restorative, focusing on learning from mistakes.
- It is handled calmly, unemotionally, and with genuine care.
- It is handled unobtrusively to protect student dignity and instructional time.
- It addresses specific, observable behaviors and root causes.
- It lays out positive, constructive alternatives.
- It results in a clearly, mutually understood plan for future success and repaired relationships.

Inappropriate behavior, unless severe or safety-threatening, is handled first through warm reminders, classroom-level interventions, restorative conversations, or teacher-student conferences. If these supportive measures fail to remedy the behavioral concern, or if a safety violation occurs, the student is referred to the site administrator for collaborative, tier-aligned support.

Discipline Referrals

Only students with major discipline problems are sent to the site administrator. If a situation requires the immediate removal of a student from the school environment, the student is sent to the administration office.

Before referring a student to the site administrator for a disciplinary issue, the teacher must try and resolve the issue with the student using the appropriate strategies to find a resolution.

If the discipline issue cannot be resolved, the teacher or staff member must complete a referral form and submit it to the site supervisor for further action. The referral form must be filled out completely and accurately identify the violation that occurred and make sure to indicate on the referral the prior actions taken.

Once the site administrator reviews the referral, the site administrator will meet with the student and take appropriate action. The site administrator will ensure that the teacher is notified of the discipline action taken in a timely manner.

Students who continually violate school rules and related laws are subject to, but not limited to:

- Make up instructional time
- Loss of privileges
- Parent/Principal Meeting
- Home visits
- Placed on Disciplinary Contract
- Referral to another alternative school program
- Referral to the District Attorney and/or Probation Department
- Work Permit revoke

Suspension and Expulsion
The grounds for suspension and expulsion and the procedures for recommending and/or implementing suspension and expulsion shall be those specified in law and administrative regulation. The school staff enforce the rules concerning suspension and expulsion of students fairly, consistently, and in accordance with MCOE's nondiscrimination policies. A list of offenses that are grounds for which students can be suspended or expelled are stated in MCOE Regulation 5144.1 – Suspension and Expulsion Due Process (see page 51 for a copy of this regulation).

Our school and MCOE shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. the school shall comply with procedures for notices, hearings, and appeals as specified in regulation and law (Education Code 48911, 48915, 48915.5).

We utilize the Alternative Expulsion Hearing Process described in MCOE Regulation 5144.1. Students and/or their parents/guardians are entitled to file an appeal of an expulsion decision with the County Board. The appeal must be filed within 30 days of the decision to expel, even if the expulsion action is suspended and the student is placed on probation. The student shall submit a written request for a copy of the transcripts and supporting documents from the school simultaneously with the filing of the notice of appeal with the County Board. the school shall provide the student with these documents within 10 school days following the student's written request (Education Code 48919).

MSCS provides its students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare, and promotes their learning and development. MSCS adheres to MCOE discipline policies that specify standards of behavior for students and the disciplinary procedures for addressing violations of those standards, including suspension and/or expulsion. These MCOE policies are shared with parents through the Student Parent Handbook and are stated in the Comprehensive School Safety Plan. They address all of the requirements set forth in the California Code of Regulations regarding Suspension and Expulsion Procedures for charter schools. Procedures shall, at a minimum, including an explanation of how the charter school will comply with federal and state constitutional procedural and substantive due process requirements consistent with the following:

(i) For suspensions of fewer than 10 days, provide oral or written notice of the charges against the pupil and, if the pupil denies the charges, an explanation of the evidence that supports the charges and an opportunity for the pupil to present the pupil's side of the story.

(ii) For suspensions of 10 days or more and all other expulsions for disciplinary reasons, both of the following:

(I) Provide timely, written notice of the charges against the pupil and an explanation of the pupil's basic rights.

(II) Provide a hearing adjudicated by a neutral officer within a reasonable number of days at which the pupil has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the pupil has the right to bring legal counsel or an advocate.

(iii) No pupil shall be involuntarily removed by the charter school for any reason unless the parent or guardian of the pupil has been provided written notice of intent to remove the pupil no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the pupil or the pupil's parent or guardian, or, if the pupil is a homeless child or youth, or a foster child or youth, in the native language of the homeless or foster child's educational rights holder. In the case of a foster child or youth, the written notice shall also be provided to the foster child's attorney and county social worker. If the pupil is an Indian child, as defined in Section 224.1 of the Welfare and Institutions Code, the written notice shall also be provided to the Indian child's tribal social worker and, if applicable, county social worker. The written notice shall inform the pupil, the pupil's parent or guardian, the homeless child's educational rights holder, the foster child's educational rights holder, attorney, and county social worker, or the Indian child's tribal social worker and, if applicable, county social worker of the right to initiate the procedures specified in clause (ii) before the effective date of the action. If the pupil's parent or guardian, the homeless child's educational rights holder, the foster child's educational rights holder, attorney, or county social worker, or the Indian child's tribal social worker or, if applicable, county social worker initiates the procedures specified in clause (ii), the pupil shall remain enrolled and shall not be removed until the charter school issues a final decision. For purposes of this clause, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions specified in clauses (i) and (ii).

(iv) A foster child's educational rights holder, attorney, and county social worker and an Indian child's tribal social worker and, if applicable, county social worker shall have the same rights a parent or guardian of a child has to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, and other documents and related information.

MSCS strictly adheres to all policies and regulations regarding the suspension or expulsion of students. Policies and procedures, including MCOE board policies and regulations, and Student Handbook, may periodically be reviewed and updated to address modifications regarding suspension, expulsion, and involuntary removal procedures, and grounds for MSCS to take such action.

Due Process Protections

MSCS ensures that all students are afforded due process in disciplinary actions.

No student shall be involuntarily removed by MSCS for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student's parent or guardian, or, if the student is a homeless child or youth, or a foster child or youth, in the native language of the homeless or foster child's educational rights holder. In the case of a foster child or youth, the written notice shall also be provided to the foster child's attorney and county social worker. If the pupil is an Indian child, as defined in Section 224.1 of the Welfare and Institutions Code, the written notice shall also be provided to the Indian child's tribal social worker and, if applicable, county social worker. The written notice shall inform the pupil, the student's parent or guardian, the homeless child's educational rights holder, the foster child's educational rights holder, attorney, and county social worker, or the Indian child's tribal social worker and, if applicable, county social worker of the right to initiate the procedures for suspensions of 10 days or more and all other expulsions for disciplinary reasons before the effective date of the action. If the student's parent or guardian, the homeless child's educational rights holder, the foster child's educational rights holder, attorney, or county social worker, or the Indian child's tribal social worker or, if applicable, county social worker initiates such procedures, the student shall remain enrolled and shall not be removed until the charter school issues a final decision. For purposes of this clause, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions specified in clauses (i) and (ii) of Education Code section 47605.6(b)(5)(J)(I & ii).

A foster child's educational rights holder, attorney, and county social worker and an Indian child's tribal social worker and, if applicable, county social worker shall have the same rights a parent or guardian of a child has to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, and other documents and related information. [Education Code 47605.6(b)(5)(J)(iii)]

Despite that lack of significant behavioral issues, MSCS always looks to improve the program and practices to benefit all students.

Grounds for Suspension and Expulsion

The grounds for suspension and expulsion and the procedures for recommending and/or implementing suspension and expulsion shall be those specified in law and administrative regulation. MSCS staff enforce the rules concerning suspension and expulsion of students fairly, consistently, and in accordance with MCOE's nondiscrimination policies. A list of offenses that are grounds for which students can be suspended or expelled are stated in MCOE Regulation 5144.1 – Suspension and Expulsion Due Process.

MSCS and MCOE shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. MSCS shall comply with procedures for notices, hearings, and appeals as specified in regulation and law (Education Code 48911, 48915, 48915.5).

MSCS utilizes the Alternative Expulsion Hearing Process described in MCOE Regulation 5144.1. Students and/or their parents/guardians are entitled to file an appeal of an expulsion decision with the County Board. The appeal must be filed within 30 days of the decision to expel, even if the expulsion action is suspended and the student is placed on probation. The student shall submit a written request for a copy of the transcripts and supporting documents from MSCS simultaneously with the filing of the notice of appeal with the County Board. MSCS shall provide the student with these documents within 10 school days following the student's written request (Education Code 48919).

1. For suspensions fewer than 10 days:

    - Students will receive oral or written notice of the charges.
    - If the student denies the charges, they will be given an explanation of the evidence.
    - Students will have an opportunity to present a rebuttal to the charges.

2. For suspensions of 10 days or more and all expulsions for disciplinary reasons, both of the following:

    - The student and their parent/guardian will receive timely written notice of the charges and an explanation of the student's basic rights.
    - The student will have the right to a hearing before a neutral officer within a reasonable timeframe, at which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate.

MSCS implements the following strategies as part of a Rehabilitation Plan for students who have been suspended. Not all strategies will apply to all students, but will vary dependent upon the nature of the student's offense. The Rehabilitation Plan calls for the school administrator or designee to:

- Hold a conference with the student and his or her parent or guardian
- Provide information on behavioral resources offered by government and community agencies

- Schedule a meeting for the student with the school psychologist
- Provide information on after-school programs that address specific behavioral issues or expose pupils to positive activities and behaviors, including, but not limited to, those operated in collaboration with local parent and community groups

MCBE periodically reviews and revises MCOE's Suspension and Expulsion policies to ensure they are comprehensive, inclusive of pertinent offenses that may warrant suspension and/or expulsion, and compliant with California State law.

Admission, Attendance and Tardy Policies

Admission

Merced Dual Language Academy (MDLA) Parents will fill out the Intent to Enroll Form on the MCOE school website.The school secretary will contact parents and confirm registration if a student qualifies for enrollment with Merced Dual Language Academy. Students who have attended a Dual Language Immersion program prior to enrolling at the Merced Dual Language Academy will be accepted if they are in the TK-4 grade. Students who have not attended a Dual Language Immersion Program before will be given a screener if they are in grades 2nd-5th and see if they qualify to register.

Attendance

The MDLA is a classroom-based program which means students must attend school each school day.Staff will track students on site through daily school attendance. Students who arrive after the school start times will be considered tardy. Students who leave prior to the school end times must be signed out by the parent/guardian or designee. No student will be released to anyone else other than the parent or designee listed in the school's student information system.

Parents visiting the site for anything other than dropping off or picking up their students will be asked to sign in. The purpose is to know who is on site to maintain safety to the greatest extent possible.

Attendance will be determined at the beginning of each school day. Students who are not not in class by the late bell will be considered tardy. Tardiness is a disruption to the learning environment and may have adverse consequences on a student's academic success. In order for students to obtain a quality education, it is important for students to arrive at school on time each day.

Parents of students who are absent must notify the school's office staff of the absence and reason for the absence. Students with excused absences will not be penalized for late or incomplete work. However, it is highly encouraged that students complete any missing work if possible. Work from unexcused absences may negatively impact a student's grades. Because of this, it is important that students attend school regularly unless there is a valid reason for missing school.

Students with excessive absences or tardies may be subject to the school's tiered re-engagement program.

Student Illness

If a student has a fever, he/she should not come to school. If a student becomes ill during the day, he/she should go to the office.The health aide or an office staff will contact the parent or person listed on the student's emergency contact list if the student needs to go home.

Tardy Policy

Tardiness is a disruption to the learning environment and may have adverse consequences on a student's academic success. In order for students to obtain a quality education, it is important for students to arrive at school on time each day. If a student has an unexcused tardy, the following discipline will apply:

- The student will be sent to a designated location to finish the period and not disrupt the learning in his/her scheduled class. A phone call home will be made.
- Tardy three or more times in any given quarter, the student will finish the period in a designated location. A phone call home will be made and an appointment for the student's parent to meet with the principal will be scheduled.

Transportation Expectations

The Merced Dual Language Academy does not provide transportation for students. Parents are to provide transportation for the student to and from school.

Tiered Re-engagement Process

Students who accumulate an excessive amount of absences are at risk of falling behind and missing out on valuable instructional time. Completing and turning in assignments regularly is essential for students to maintain good standing at the school. As such, the school has implemented the following truancy policy.

1. Three days absence, or the equivalent: Warning letter, email, phone call notifying parent of warning
2. Five days of absence, or the equivalent: Warning letter, email, and phone call along with a required conference with administrator.
3. 10 days of absence, or the equivalent: Remediation plan and conference with School Attendance Review Team (SART) and/or a school administrator.
4. More than 10 days of absence or failure to comply with remediation plan: SART and/or school administration will determine next steps for re-engagement.

Technology & Electronics

Acceptable Use Agreement for Students

Our school recognizes that access to technology in school gives students greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. We are committed to helping students develop 21st-century technology and communication skills; therefore, we provide the privilege of access to technologies for student use.

The school may provide the privilege of Internet access, desktop computers, mobile computers or devices, videoconferencing capabilities, online collaboration capabilities, message boards, email and more. This Acceptable Use Agreement applies to both school-owned technology equipment that utilizes the school network, the schools' Internet connection, and/or private networks/Internet connections accessed from school-owned devices at any time. The school employs filtering and other safety and security mechanisms, and attempts to ensure their proper function.

The following Acceptable Use Agreement outlines the guidelines and expectations that all student users are expected to follow when using school technologies.

- All technologies provided by the district are intended for education purposes. All users are expected to use good judgment and to abide by the guidelines outlined in this agreement.

Users are expected to communicate with the same appropriate, safe, mindful and courteous conduct online as offline. Posts, chats, sharing and messaging may be monitored.
- The school may provide users with mobile computers or other devices to promote learning outside of the classroom. Users should abide by the same acceptable use agreement when using school devices off the school network as on the school network. Users are expected to treat these devices with extreme care and caution; these are expensive devices that the school is entrusting to your care. Users should immediately report any loss, damage, or malfunction to the staff member that issued the device. Users may be financially accountable for any damage resulting from negligence or misuse. Use of school-issued mobile devices off the school network may be monitored.

- Users are expected to take reasonable safeguards against the transmission of security threats over the school network. This includes not opening or distributing infected files or programs and not opening files or programs of unknown or untrusted origin. Lost Textbooks or Technology Equipment

Textbooks are the property of the school. The student is solely and totally responsible for the same numbered book, which was issued to him/her and must pay for its loss or damage. The same rule applies to all school items including, but not limited to, athletic equipment, lab equipment, technology items, library materials, etc.

Student Acknowledgement on the Use of Artificial Intelligence (AI)

AI can help me learn better and is important for my future, so I promise to use it the right way and make smart choices.

1. I will use AI tools responsibly and will not use AI in a way that could harm myself or others.
2. I will only use AI to support my learning and will follow my school's rules and teacher's instructions on when and how to use AI on an assignment.
3. I will be honest about when I use AI to help with assignments, and I will not turn in work that is fully created by an AI as my own.
4. If I use AI, I will review its work for mistakes.
5. I will check with my teacher when unsure about what is acceptable.

Chromebook Usage

1. Students must follow the school rules when using their chromebooks at school.

If the student chooses to give the cell phone to the teacher, the teacher will return the cell phone to the student at the end of the day.The teacher will contact parents and let them know that the student had brought a cell phone to school, and if they can remind the student to leave it at home.
5. If the student does not cooperate with the teacher about putting away or surrendering their cell phone, they will be brought to the office and will give their phone to the office staff. Parents can pick up the phone from the office at the end of the day. Parents will be called and notified to pick up the phone.

Academics and Grades

Achieving Academic Success

- Ask for help if you do not understand on how to do something
- Work with another person nearby (someone whose work habits you admire and who will not distract you) to encourage yourself to concentrate more fully.
- Ask your teacher if you could have more time to work on your assignments if your are done
- Always give your best effort when you are learning something and ask questions if you do not understand something
- Be sure to get enough sleep, eat well, and regularly exercise. Your mind will be more alert and you will be less likely to fall asleep or daydream.

Grading and Student Work Completion

Grades serve a valuable instructional purpose by helping students and parents/guardians identify the student's areas of strength and those areas needing improvement. Parents/guardians and students have the right to receive course grades that represent an accurate evaluation of the student's achievement.

A teacher shall base a student's grades on impartial, consistent observation of the quality of the student's work and his/her mastery of course content and standards. Students shall have the opportunity to demonstrate this mastery through a variety of methods such as classroom participation, homework, tests, and portfolios. (*MCOE Policy 5121*)

The teacher shall determine the student's grade based on the semester's work completion. The grade assigned by the teacher shall not be changed except as provided by law, policy or regulation. (*Education Code 49066*).

Written report cards displaying students' grades in each subject or course shall be distributed to parents/guardians at the end of each grading period (semesterly). Parents/guardians shall be offered an opportunity to meet with their student's teacher(s) to discuss the grades and strategies to improve their student's performance. (*MCOE Regulation 5121*)

Whenever it becomes evident to a teacher that a student is in danger of failing in certain areas, the teacher shall arrange a conference with the student's parent/guardian or send the parent/guardian a written report. (*Education Code 49067*)

Report cards are given each semester of how students are performing in each subject area or standards in that grade level. Students will need to complete their class assignments and homework as assigned by their teachers in order to have good grades. Parents are encouraged to collaborate with their child's teacher often to make sure their child is doing well and what they can help with at home.

Textbook and Significant Educational Materials

We recognize that instructional materials are an expensive resource and that each student is entitled to sufficient instructional materials in accordance with law. The school will provide textbooks, either hardbound or in electronic form, and other instructional materials needed for student success. Instructional materials provided for use by students remain the property of the school.

Damaged or Lost Instructional Materials

When materials are lost or so damaged that they are no longer usable, students or parents/guardians shall be responsible for reparation equal to the current replacement cost of the materials. When materials are damaged but still usable, the school administrator or designee shall determine an appropriate charge. If it can be demonstrated to the school administrator's or designee's satisfaction that the student has taken all reasonable precautions to safeguard instructional materials issued to him/her, the school administrator or designee may excuse the student or parent/guardian from payment of reparation.

MCOE School Equipment Check-Out

If the significant educational material is electronic, the student and parent/guardian are required to sign and complete the "MCOE School Equipment Check-Out Form". The "MCOE School Equipment Check-Out Form" must state the name, the replacement cost, and the ID number (if appropriate) of the electronic equipment that is being borrowed by the student. The agreement must be signed by both the student and parent/guardian before receiving the electronic equipment.

It is the responsibility of the student and parent/guardian to maintain the borrowed electronic equipment in good condition and working order. Students and parents/guardians are to abide by the district's and school's Acceptable Use Agreement for Students when using such equipment. Electronic equipment owned by the school is to be used strictly for the purposes of educational research. Any violation of this policy or the "Acceptable Use Agreement for Students" will result in the student losing the privilege of using the electronic device.

The student and parent/guardian will be held financially responsible for any loss and/or damage that may occur while the equipment is checked out to me/us.

Testing & Statewide Accountability

California students take several mandated statewide tests. These tests provide parents/guardians, teachers, and educators with information about how well students are learning and becoming college and career ready. The test results may be used for local, state, and federal accountability purposes.

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) tests consist of the following:

- ***Smarter Balanced Assessment Consortium Assessments***
  The Smarter Balanced computer adaptive assessments are aligned with the Common Core State Standards (CCSS). English language arts/literacy (ELA) and mathematics tests are administered in grades three through eight and grade eleven to measure whether students are on track to college and career readiness. In grade eleven, results from the ELA and mathematics assessments can be used as an indicator of college readiness.
- ***California Science Tests (CAST)***
  The computer-based CAST measures students' achievement of the California Next Generation Science Standards (CA NGSS) through the application of their knowledge and skills of the Science and Engineering Practices, Disciplinary Core Ideas, and Crosscutting Concepts. The CAST is administered to all students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve).
- ***California Alternate Assessments (CAAs)***
  Only eligible students—students whose individualized education program (IEP) identifies the use of alternate assessments—may participate in the administration of the CAAs. Test examiners administer the computer-based CAAs for ELA, mathematics, and science one-on-one to students. Students in grades three through eight and grade eleven will take the CAA for ELA and mathematics. Test items developed for ELA and mathematics are aligned with the CCSS and are based on the Core Content Connectors. Students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve) will take the CAA for Science. The CAA for Science embedded performance tasks are based on alternate achievement standards derived from the CA NGSS. Students taking the CAA for Science will take three embedded performance tasks in spring 2019.
- ***California Spanish Assessment (CSA) for Reading/Language Arts***
  The optional CSA for Reading/Language Arts in Spanish is aligned with the California Common Core State Standards en Español. This computer-based test allows students to demonstrate their Spanish skills in listening, reading, and writing mechanics.

Pursuant to California Education Code Section 60615, parents/guardians may annually submit to the school a written request to excuse their student from any or all of the CAASPP assessments.

English Language Proficiency Assessments for California
The English Language Proficiency Assessments for California (ELPAC) is aligned with the 2012 California English Language Development Standards. It consists of two separate English Language Proficiency (ELP) assessments: one for the initial identification of students as English learners and the other for the annual summative assessment to identify students' English language proficiency level and to measure their progress in learning English.

Physical Fitness Test
The physical fitness test for students in California schools is the FitnessGram®. The main goal of the test is to help students in starting lifelong habits of regular physical activity. Students in grades five, seven, and nine take the fitness test.

A parent volunteer form needs to be filled out if a parent/guardian wishes to visit a support class during school hours, visits should be arranged with the teacher and site administrator or designee. If a parent/guardian desires a conference, an appointment shall be set with the teacher during non-instructional time.

All Other Visitors

All other visitors are those visitors who are not staff, active students, or the parents/guardians of active students, with school related business must be cleared by the administrator, school secretary, or designee before being allowed to enter. Pre-arranged meetings with staff members will occur during non-student times to minimize disruption to instructional time. All school visits must be arranged with the teacher and site administrator or designee.

Once approved, all other visitors will follow the same procedures as active students and their parents/guardians with one exception: all other visitors will be asked for proof of identification before being allowed to enter the school. Failure to provide proof of identification will result in denial to enter the school.

Policies

Chronic Absence and Truancy

Students Policy 5113.1

Merced County Office of Education (MCOE) believes that absenteeism, whatever the cause, may be an early warning sign of poor academic achievement and may put students at risk of dropping out of school. MCOE desires to ensure that all students attend school in accordance with the state's compulsory education law and take full advantage of educational opportunities provided by MCOE.

(cf. 5113 - Absences and Excuses)
(cf. 5113.11 – Attendance Supervision)

The County Superintendent or designee shall establish a system to accurately track student attendance in order to identify individual students who are chronic absentees and truants, as defined in law and regulation, and to identify patterns of absence throughout the MCOE. He/she may provide the County Superintendent or designee with data on school attendance, chronic absence, and truancy rates, for each school, and disaggregated for each numerically significant student subgroup as defined in Education Code 52052. Such data shall be used in the development of annual goals and specific actions for student attendance and engagement to be included in the MCOE's local control and accountability plan and other applicable school and MCOE plans.

(cf. 0400 - Comprehensive Plans)
(cf. 0420 - School Plans/Site Councils)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 0460 - Local Control and Accountability Plan)
(cf. 0500 - Accountability)

The County Superintendent or designee shall develop strategies that focus on prevention of attendance problems, which may include, but are not limited to, efforts to provide a safe and positive school environment, relevant and engaging learning experiences, and school activities that help develop students' feelings of connectedness with the schools, school-based health services, and incentives and rewards to recognize students who achieve excellent attendance or demonstrate significant improvement in attendance. The County Superintendent or designee also shall develop strategies that enable early outreach to students as soon as they show signs of poor attendance.

(cf. 0410 – Nondiscrimination in MCOE Programs and Activities)

Students Regulation 5113.1
Definitions
Chronic absentee means a student who is absent for any reason on 10 percent or more of the school days in the school year, when the total number of days the student is absent is divided by the total number of days the student is enrolled and school was actually taught in the regular day schools of the Merced County Office of Education (MCOE), exclusive of Saturdays and Sundays. (Education Code 60901)

Truant means a student who is absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. (Education Code 48260)

Habitual truant means a student who has been reported as a truant three or more times within the same school year, provided the MCOE has made a conscientious effort to hold at least one conference with the student and his/her parent/guardian. (Education Code 48262, 48264.5)

Chronic truant means a student who has been absent from school without a valid excuse for 10 percent or more of the school days in one school year, from the date of enrollment to the current date, provided the MCOE has met the requirements of Education Code 48260-48263 and 48291. (Education Code 48263.6)

For purposes of classifying a student as a truant, valid excuse includes, but is not limited to, the reasons for which a student shall be excused from school pursuant to Education Code 48205 and 48225.5. A valid excuse also may include other reasons that are within the discretion of school administrators and, based on the facts of the student's circumstances, are deemed to constitute a valid excuse. (Education Code 48260)

(cf. 5113.11 – Attendance Supervision)
(cf. 6020 – Parent Involvement)

The student may be referred to a school-site attendance review team to assist in evaluating the student’s needs and identifying strategies and programs that may assist him/her.

(cf. 1400 – Relations Between Other Governmental Agencies and the Schools)
(cf. 5141.6 – School Health Services)

Addressing Truancy
An attendance supervisor or designee, peace officer, probation officer, or school administrator or designee may, as applicable, arrest or assume temporary custody, during school hours, of any minor student found away from his/her home who is absent from school without a valid excuse. Any person arresting or assuming temporary custody of a minor student shall deliver the student and make reports in accordance with Education Code 48265 and 48266. (Education Code 48264, 48265, 48266)

(cf. 3515.3 – MCOE Police/Security Department)

The assigned administrator shall investigate a complaint from any person that a parent/guardian has violate the state compulsory education laws contained in Education Code 48200-48341. (Education Code 48290)

When a student has been identified as a truant, as defined above, the following steps shall be implemented based on the number of truancies he/she has committed:

Initial truancy
A student who is initially classified as truant shall be reported to the assigned administrator. (Education Code 48260)
The student's parent/guardian shall be notified by the most cost-effective method possible, which may include email or a telephone call, that: (Education Code 48260.5)
The student is truant.
The parent/guardian is obligated to compel the student to attend school. If the parent/guardian fails to meet this obligation, he/she may be guilty of an infraction of the law and subject to prosecution pursuant to Education Code 48290-48296.
Alternative educational programs are available at MCOE.
The parent/guardian has the right to meet with appropriate school personnel to discuss solutions to the student's truancy.
The student may be subject to arrest or held in temporary custody by a probation officer, a peace officer or, a school administrator or his/her designee under Education Code 48264 if found away from home and absent from school without a valid excuse.
The student may be subject to suspension, restriction or delay of his/her driving privilege pursuant to Vehicle Code 13202.7.

An appropriate MCOE staff member shall make a conscientious effort to hold at least one conference with the student and parent/guardian by communicating with the parent/guardian at least once using the most cost-effective method possible, which may include email or a telephone call. (Education Code 48262)
The student may be given a written warning by a peace officer. A record of that warning may be kept at the school for not less than two years or until the student graduates or transfers from the school. If the student transfers, the record may be forwarded to the new school. (Education Code 48264.5)
The assigned administrator may notify the district attorney and/or probation officer whether the student continues to be classified as a truant after the parents/guardians have been notified in accordance with item #1b above. (Education Code 48260.6)

Third truancy (habitual truancy)
A student who is habitually truant, irregular in school attendance, or habitually insubordinate or disorderly during attendance at school may be referred to, and required to attend, a school attendance review board (SARB) program, a truancy mediation program established by the district attorney or the probation officer, or a comparable program deemed acceptable by the County Superintendent or designee. (Education Code 48263, 48264.5)

(Education Code 48263)

Fourth truancy
Upon his/her fourth truancy within the same school year, the student shall be within the jurisdiction of the juvenile court. (Education Code 48264.5; Welfare and Institutions Code 601)
If a student has been adjudged by the county juvenile court to be a habitual truant, the assigned administrator shall notify the juvenile court and the student's probation or parole officer whenever that student is truant or tardy on one or more days without a valid excuse in the same or succeeding school year, or is habitually insubordinate or disorderly at school. The juvenile court and probation or parole officer shall be notified within 10 days of the violation. (Education Code 48267)

Chronic truancy (unexcused absence for 10 percent of school days)
The assigned administrator shall ensure that the student's parents/guardians are offered language-accessible support services to address the student's truancy.
If a chronically truant student is as least age six years and is in any of grades K-8, the attendance supervisor shall notify the parents/guardians that failure to reasonably supervise and encourage the student's school attendance may result in the parent/guardian being found guilty of a misdemeanor pursuant to Penal Code 270.1.

Records
The County Superintendent or designee shall maintain accurate attendance records for students identified as habitual or chronic truants. The County Superintendent or designee also shall document all contacts with a student and his/her parent/guardian regarding the student's attendance, including a summary of all conversations and a record of all intervention efforts.

The MCOE designee shall gather and transmit to the County Superintendent of Schools the number and types of referrals made to the SARB and of requests for petitions made to the juvenile court. (Education Code 48273)

Discipline
Students Policy 5144
The County Superintendent is committed to providing a safe, supportive, and positive school environment which is conducive to student learning and to preparing students for responsible citizenship by fostering self-discipline and personal responsibility. The County Superintendent believes that high expectations for student behavior, use of effective classroom management strategies, provision of appropriate intervention and support, and parent involvement can minimize the need for disciplinary measures that exclude students from instruction as a means for correcting student misbehavior.

(cf. 5131 – Conduct)
(cf. 5131.1 – Bus Conduct)
(cf. 5131.2 – Bullying)
(cf. 5137 - Positive School Climate)
(cf. 5145.9 - Hate-Motivated Behavior)
(cf. 6020 - Parent Involvement)

The County Superintendent or designee shall design a complement of effective, age-appropriate strategies for maintaining a positive school climate and correcting student misbehavior at Merced County Office of Education (MCOE) schools. The strategies shall focus on providing students with needed

supports; communicating clear, appropriate, and consistent expectations and consequences for student conduct; and ensuring equity and continuous improvement in the implementation of MCOE discipline policies and practices.

In addition, the County Superintendent or designee's strategies shall reflect the County Board's preference for the use of positive interventions and alternative disciplinary measures over exclusionary discipline measures as a means for correcting student misbehavior.

Disciplinary measures that may result in loss of instructional time or cause students to be disengaged from school, such as detention, suspension, and expulsion, shall be imposed only when required by law or when other means of correction have been documented to have failed. (Education Code 48900.5)

(cf. 5020 – Parent Rights and Responsibilities)
(cf. 5144.1 – Suspension and Expulsion/Due Process)
(cf. 5144.2 – Suspension and Expulsion/Due Process (Students with Disabilities))
(cf. 6159.4 – Behavioral Interventions for Special Education Students)

At all times, the safety of students and staff and the maintenance of an orderly school environment shall be priorities in determining appropriate discipline. When misconduct occurs, staff shall attempt to identify the causes of the student's behavior and implement appropriate discipline. When choosing between different disciplinary strategies, staff shall consider the effect of each option on the student's health, well-being, and opportunity to learn.

Staff shall enforce disciplinary rules fairly, consistently and in accordance with MCOE's nondiscrimination policies.

(cf. 0410 - Nondiscrimination in MCOE Programs and Activities)
(cf. 5145.3 - Nondiscrimination/Harassment)
(cf. 5145.7 – Sexual Harassment)

The County Superintendent or designee shall provide professional development as necessary to assist staff in developing the skills needed to effectively implement the disciplinary strategies adopted for MCOE schools, including, but not limited to, consistent school and classroom management skills, effective accountability and positive intervention techniques, and development of strong, cooperative relationships with parents/guardians.

(cf. 4331 - Staff Development)

MCOE goals for improving school climate, based on suspension and expulsion rates, surveys of students, staff, and parents/guardians regarding their sense of school safety, and other local measures, shall be included in the MCOE's local control and accountability plan, as required by law.

Revised: 8/24/11, 4/22/15 Merced, California

Suspension and Expulsion Process
Students Policy 5144.1
The Merced County Office of Education (MCOE) desires to provide MCOE students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The MCOE shall develop rules and regulations setting the standards of behavior expected of MCOE students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

(cf. 5131 – Conduct)
(cf. 5131.1 – Bus Conduct)
(cf. 5131.2 – Bullying)

Refer to Charter petition regarding suspension and expulsion guidelines for students enrolled in the Merced Scholars Charter School.

The grounds for suspension and expulsion and the procedures for considering, recommending and/or implementing suspension and expulsion shall be those specified in law and administrative regulation.

Except when otherwise permitted by law, a student may be suspended or expelled only when his/her behavior is related to a school activity or school attendance occurring within any MCOE school or other school district, regardless of when it occurs, including, but not limited to, the following: (Education Code 48900(s))
While on school grounds

While going to or coming from school

During the lunch period, whether on or off the school campus

(cf. 5112.5 – Open/Closed Campus)

During, going to, or coming from a school-sponsored activity

MCOE staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, and in accordance with the MCOE's nondiscrimination policies.

(cf. 0410 – Nondiscrimination in MCOE Programs and Activities)

Appropriate Use of Suspension and Expulsion
Except when a student commits an act that violates Education Code 48900(a)-(e) or his/her presence causes a danger to others, suspension shall be used only when other means of correction have failed to bring about proper conduct.

Except when a student commits an act listed in Education Code 48915(c), the County Superintendent or designee shall have the discretion to determine whether to recommend to the County Board that the student be expelled.

(cf. 5131.7 – Weapons and Dangerous Instruments)

To correct the behavior of students who are subject to discipline, the County Superintendent or designee, to the extent allowed by law, shall use alternative disciplinary strategies specified in Regulation 5144 - Discipline. (Education Code 48900.5, 48900.6)

(cf. 1020 – studentren and Youth Services)
(cf. 5144 – Discipline)

Students shall not be suspended or expelled for truancy, tardiness, or absenteeism from assigned school activities.

(cf. 5113 – Absences and Excuses)
(cf. 5113.1 – Chronic Absence and Truancy)

MCOE staff shall not suspend any student for disruption or willful defiance; unless the suspension is warranted by documented repetitive behavior of the student or the disruption or willful defiance occurred in conjunction with another violation for which the student may be suspended.

Due Process
The MCOE shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The County Superintendent or designee shall comply with procedures for notices, hearings, and appeals as specified in regulation and law. (Education Code 48911, 48915, 48915.5, 48918)

(cf. 5144.2 - Suspension and Expulsion Process (Individuals with Disabilities))

Supervised Suspension Classroom
The MCOE recognizes that students who are suspended from school often have no supervision or guidance during the school hours when they are off campus and may fall behind in the coursework. The MCOE believes that, in many cases, it would be better to manage the student's behavior by keeping the student at school and providing him/her with supervision that is separated from the regular classroom.

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, but who pose no imminent danger or threat to anyone at school and for whom an expulsion proceeding have not been initiated, the County Superintendent or designee shall establish a supervised classroom suspension program which meets the requirements of law. The use of such alternatives does not preclude off-campus suspensions.

Decision Not to Enforce Expulsion Order
On a case-by-case basis, the enforcement of an expulsion order may be suspended by the County Board pursuant to the requirements of law and administrative regulation.

Maintenance and Monitoring of Outcome Data
The County Superintendent or designee shall annually review outcome data which the MCOE is required to collect pursuant to Education Code 48900.8 and 48916.1, including the number of students recommended for expulsion, the grounds for each recommended expulsion, the actions taken by the County Board, the types of referral made after each expulsion, and the disposition of the students after the expulsion period.

The report shall be disaggregated by school and by numerically significant student subgroups, including, but not limited to, ethnic subgroups, socioeconomically disadvantaged students, English learners, foster youth, and students with disabilities. The report also shall include information about whether and how the MCOE is meeting its goals for improving school climate as specified in its local control and accountability plan.

If that action requires the continuing presence of the student at school, he/she shall be appropriately supervised during the class periods from which he/she has been removed. (Education Code 48910)

As soon as possible after the teacher decides to remove the student, he/she shall ask the student's parent/guardian to attend a parent-teacher conference regarding the removal. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code 48910)

A student removed from class shall not be returned to class during the period of removal without the approval of the teacher of the class and the school administrator. (Education Code 48910)

A student removed from class shall not be placed in another regular class during the period of removal. The County Superintendent, principal, school administrator, or designee shall immediately suspend any student found at school or at a school activity to be: (Education Code 48915(c))

(18 USC 921)

In addition, the County Superintendent, principal, or designee may impose a suspension upon a first offense if he/she determines that the student violated any of items #1-5 listed under “Grounds for Suspension and Expulsion” above or if the student’s presence causes a danger to persons. (Education Code 48900.5)

For all other offenses, a student may be suspended only when the County Superintendent or principal has determined that other means of correction have failed to bring about proper conduct in the student. (Education Code 48900.5)

When other means of correction are implemented prior to imposing suspension or supervised suspension upon a student, the County Superintendent, principal, or designee shall document the other means of correction used and retain them in the student’s record. (Education Code 48900.5)

(cf. 5125 – Student Records)

Length of Suspension
The County Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days unless the suspension is extended pending expulsion. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year. However, when a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class, for the purpose of adjustment, he/she may be suspended for not more than 30 school days in a school year.

The MCOE may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)
Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:
Informal Conference: Suspension shall be preceded by an informal conference conducted by the County Superintendent, principal, school administrator, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the school administrator. At the conference, the student shall be informed of the reason for the disciplinary action, presented with the evidence against him/her, and given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

This conference may be omitted if the County Superintendent, principal, school administrator, or designee determines that an emergency situation exists. An emergency situation involves a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference. The conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

Administrative Actions: All requests for student suspension are to be processed by the school administrator or designee of the school in which the student is enrolled at the time of the misbehavior. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the County Superintendent or designee. (Education Code 48911)

Notice to Parents/Guardians: At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension. (Education Code 48911)
This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may add that state law requires the parent/guardian to respond to such requests without delay.

Parent/Guardian Conference: Whenever a student is suspended, school officials may meet with the parent/guardian to discuss the causes and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)
While the parent/guardian is required to respond without delay to a request for a conference about a student's behavior, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied readmission solely because the parent/guardian failed to attend the conference. (Education Code 48911)

Extension of Suspension: If the County Superintendent or school administrator is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Assistant Superintendent or designee may, in writing, extend the suspension until a decision has been made. (Education Code 48911)

Any extension of the original period of suspension shall be preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension. Extension of the suspension may be made only if the Assistant Superintendent or designee determines, following a meeting in which the student and the student's

parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)

If the student involved is a foster youth, the County Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county student welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1)

(cf. 6173.1 – Education for Foster Youth)

In addition to suspending a student, the County Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct his/her behavior and keep him/her in school.

Supervised Suspension Classroom
Students for whom an expulsion action has not been initiated and who pose no imminent danger or threat to the school, students, or staff may be assigned to a supervised suspension classroom in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

The supervised suspension classroom shall be staffed in accordance with law.
The student shall have access to appropriate counseling services.
The supervised suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.

Each student shall be responsible for contacting his/her teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to a supervised suspension classroom, the site administrator or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification shall be made in writing. (Education Code 48911.1)

The following process is only applicable to Merced Scholars Charter School (the school). Refer to the the school Charter petition for basic guidelines.

Any student found to have committed any offense listed below under "Mandatory Recommendation and Mandatory Expulsion" may be expelled. (Education Code 48915)

A student may be ordered expelled for any of the acts listed above under "Grounds for Suspension and Expulsion" upon recommendation by the principal, County Superintendent, hearing officer, or administrative panel, based on either or both of the following finding(s): (Education Code 48915(b) and (e))

That other means of correction are not feasible or have repeatedly failed to bring about proper conduct;

That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others.

County Superintendent, Principal, or Designee's Authority to Recommend Expulsion
Unless the County Superintendent, principal or designee determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, he/she shall recommend a student's expulsion for any of the following acts: (Education Code 48915(a))
Causing serious physical injury to another person, except in self-defense;
Possession of any knife as defined in Education Code 48915(g), explosive, or other dangerous object of no reasonable use to the student;
Unlawful possession of any controlled substance, as listed in Health and Safety Code 11053-11058, except for (a) the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis or (b) the student's possession of over-the-counter medication for his/her use or other medication prescribed for him/her by a physician;
Robbery or extortion;
Assault or battery, as defined in Penal Code 240 and 242, upon any school employee.

In determining whether or not to recommend the expulsion of a student, the County Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)
Mandatory Recommendation and Mandatory Expulsion
The school administrator, County Superintendent or designee shall recommend expulsion of any student found at school or at a school activity to be: (Education Code 48915(c))

Student's Right to Expulsion Hearing
Any student recommended for expulsion shall be entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the site administrator or County Superintendent or designee determines that one of the acts listed under "Grounds for Suspension and Expulsion" has occurred. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the site administrator, County Superintendent or designee's discretion. (Education Code 48918(a))

If it is impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the County Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If it is impractical to comply with the time requirements of the expulsion hearing due to a summer recess of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Rights of Complaining Witness
An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the County Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the MCOE's suspension and expulsion policy and regulation and shall advise the witness of his/her right to: (Education Code 48918.5)

Whenever any allegation of sexual assault or sexual battery is made, the County Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

If the hearing is pursuant to an offense requiring a mandatory expulsion recommendation, the County Superintendent or designee may provide the same notification. The notice shall be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing
Closed Session: Notwithstanding the provisions of Government Code 54953 and Education Code 35145, a hearing shall be conducted to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. The decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If it is determined, or if the hearing officer or administrative panel finds and submits that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. While no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))
In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

Testimony by Complaining Witnesses: The following procedures shall be observed when hearings involve allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)
Any complaining witness shall be given five days' notice before being called to testify.
Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during his/her testimony.

Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.
The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.
If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.

Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.
In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the MCOE shall provide a nonthreatening environment.

The MCOE shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.

At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.

The person conducting the hearing may:
Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness;
Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours;
Permit one of the support persons to accompany the complaining witness to the witness stand.

Decision Within 40 School Days: If the hearing committee does not meet on a weekly basis, its decision on whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel
Instead of conducting an expulsion hearing itself, the school or program may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. Alternatively, an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the County Board or on the staff of the school in which the student is enrolled may be appointed. (Education Code 48918(d))

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted as specified above in "Conduct of Expulsion Hearing." (Education Code 48918(d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated. The County Superintendent or designee shall place the student in a classroom instructional program, any other instructional program, a rehabilitation program, or any combination of these programs after consulting with MCOE staff, including the student's teachers, and with the student's parent/guardian. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the site administrator, County Superintendent or designee. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The site administrator, County Superintendent or designee may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing that may be ordered. (Education Code 48918(f))

In accordance with policy, the hearing officer or administrative panel may recommend suspension of the enforcement of the expulsion for a period of one year. (Education Code 48917, 48918)

The decision about the student's expulsion shall be made within 40 school days after the date of the student's removal from school unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Final Action
Whether the expulsion hearing is conducted in closed or public session, a hearing officer, or an administrative panel, the final action to expel shall be taken at a public meeting. (Education Code 48918(j))

(cf. 9321.1 - Closed Session Actions and Reports)

If the hearing decision is not to expel, this decision shall be final and the student shall be reinstated immediately.

Upon ordering an expulsion, a date shall be set when the student shall be reviewed for readmission to a school within the MCOE. For a student expelled for an act listed under "Mandatory Recommendation and Mandatory Expulsion" above, this date shall be one year from the date the expulsion occurred, except that an earlier date may be set on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during the summer session or the intersession period of a year-round program, a date shall be set when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, a plan shall be recommended for the student's rehabilitation, which may include: (Education Code 48916)
Periodic review, as well as assessment at the time of review, for readmission;
Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs.

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel
The County Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:
The specific offense committed by the student for any of the causes for suspension or expulsion listed in Education Code 48900, 48900.2, 48900.3, 48900.4, 48900.7, or 48915 (Education Code 48900.8);
The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian (Education Code 48916);
Notice of the right to appeal the expulsion to the County Board of Education (Education Code 48918);
Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918);
Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918).

Decision Not to Enforce Expulsion Order
In accordance with policy, when deciding whether to suspend the enforcement of an expulsion, the following criteria shall be considered:
The student's pattern of behavior;
The seriousness of the misconduct;

The student's attitude toward the misconduct and his/her willingness to follow a rehabilitation program.

The suspension of the enforcement of an expulsion shall be governed by the following:
As a condition of the suspension of enforcement, the student may be assigned to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)
During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)
The suspension of the enforcement of an expulsion order may be revoked if the student commits any of the acts listed under "Grounds for Suspension and Expulsion" above or violates any of the MCOE's rules and regulations governing student conduct. (Education Code 48917)
When the suspension of the enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code 48917)
Upon satisfactory completion of the rehabilitation assignment, the student shall be reinstated in a MCOE school. Upon reinstatement, the expunging of any or all records of the expulsion proceedings may be ordered. (Education Code 48917)
The County Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall also inform the parent/guardian of the right to appeal the expulsion to the County Board. (Education Code 48918(j))
Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code 48917)

Right to Appeal
The student or parent/guardian is entitled to file an appeal of the expulsion decision with the County Board. The appeal must be filed within 30 days of the decision to expel, even if the expulsion action is suspended and the student is placed on probation. (Education Code 48919)

The student shall submit a written request for a copy of the written transcripts and supporting documents from the MCOE school simultaneously with the filing of the notice of appeal with the County Board. The MCOE school shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notifications to Law Enforcement Authorities
Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee also shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 626.9 and 626.10. (Education Code 48902)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

Post-Expulsion Placements
Expelled students shall be referred to a program of study that is: (Education Code 48915, 48915.01)
Appropriately prepared to accommodate students who exhibit discipline problems;
Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at such a site;
Not housed at the school site attended by the student at the time of suspension.

(cf. 6158 – Independent Study)

When the placement described above is not available, and when the County Superintendent so certifies, students expelled for acts described in items #6-13 and #20-23 under "Grounds for Suspension and Expulsion" above may be instead referred to a program of study that is provided at another comprehensive middle, junior, or senior high school, or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

Readmission After Expulsion
Readmission procedures shall be as follows:
On the review date set when the expulsion was ordered, the MCOE school shall consider readmission of the student. (Education Code 48916)
The County Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference the student's rehabilitation plan shall be reviewed and the County Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.
The County Superintendent or designee shall transmit to the MCOE school his/her recommendation regarding readmission. The recommendation will be considered in closed session if information would be disclosed in violation of Education Code 49073-49079. If a written request for open session is received from the parent/guardian or adult student, it shall be honored.

If the readmission is granted, the County Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the decision regarding readmission.
Readmission may be denied only if it is determined that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other MCOE students or employees. (Education Code 48916)
If readmission of a student is denied, the student's placement in the alternative educational program initially selected shall be continued or the student may be placed in another program that serves expelled students, including placement in a county community school. (Education Code 48916)

Written notice shall be provided to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the determination of the educational program which has been chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

Maintenance of Records
Records shall be maintained of each expulsion, including the specific cause of the expulsion. The expulsion record shall be maintained in the student's mandatory interim record and sent to any school in

which the student subsequently enrolls upon receipt of a written request by the admitting school. (Education Code 48900.8, 48918(k))

The County Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from the MCOE. (Education Code 48915.1)

Nondiscrimination/Harassment
Students Policy 5145.3
The Merced County Office of Education (MCOE) desires to provide a safe school environment that allows all students equal access and opportunities in the MCOE's academic, extracurricular, and other educational support programs, services, and activities. MCOE prohibits, at any MCOE school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, national origin, nationality, ethnicity, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression or association with a person, or group with one or more of these actual or perceived characteristics.

This policy shall apply to all acts related to school activity or to school attendance occurring within a MCOE school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school. (Education Code 234.1)

(cf. 0410 - Nondiscrimination in MCOE Programs and Activities)
(cf. 5131 – Conduct)
(cf. 5131.2 – Bullying)
(cf. 5137 – Positive School Climate)
(cf. 5145.9 - Hate-Motivated Behavior)
(cf. 5146 – Married/Pregnant/Parenting Students)
(cf. 6164.6 - Identification and Education under Section 504)

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also includes the creation of a hostile environment through prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects the student's educational opportunities.
Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The MCOE also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files, or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The County Superintendent or designee shall facilitate students' access to the educational program by publicizing the MCOE's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The County Superintendent or designee shall regularly review the implementation of the MCOE's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the educational program.

(cf. 1312.3 - Uniform Complaint Procedures)
(cf. 1330 - Use of Facilities)
(cf. 4331 - Staff Development)
(cf. 6145 - Extracurricular and Cocurricular Activities)

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

The school or program administrator or designee shall develop a plan to provide students with appropriate accommodations when necessary for their protection from threatened or potentially harassing or discriminatory behavior.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, MCOE policy, or regulation shall be subject to appropriate consequences or discipline, which may include suspension, or expulsion for behavior that is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

SEXUAL HARASSMENT INCLUDES MANY FORMS OF OFFENSIVE BEHAVIORS

BEHAVIORS THAT MAY BE SEXUAL HARASSMENT:

1. *Unwanted sexual advances*
2. *Offering employment benefits in exchange for sexual favors*
3. *Leering; gestures; or displaying sexually suggestive objects, pictures, cartoons, or posters*
4. *Derogatory comments, epithets, slurs, or jokes*
5. *Graphic comments, sexually degrading words, or suggestive or obscene messages or invitations*
6. *Physical touching or assault, as well as impeding or blocking movements*

Actual or threatened retaliation for rejecting advances or complaining about harassment is also unlawful.

Employees or job applicants who believe that they have been sexually harassed or retaliated against may file a complaint of discrimination with DFEH within one year of the last act of harassment or retaliation. DFEH serves as a neutral fact-finder and attempts to help the parties voluntarily resolve disputes. If DFEH finds sufficient evidence to establish that discrimination occurred and settlement efforts fail, the Department may file a civil complaint in state or federal court to address the causes of the discrimination and on behalf of the complaining party. DFEH may seek court orders changing the employer's policies and practices, punitive damages, and attorney's fees and costs if it prevails in litigation. Employees can also pursue the matter through a private lawsuit in civil court after a complaint has been filed with DFEH and a Right-to-Sue Notice has been issued.

THE MISSION OF THE DEPARTMENT OF FAIR EMPLOYMENT AND HOUSING IS TO PROTECT THE PEOPLE OF CALIFORNIA FROM UNLAWFUL DISCRIMINATION IN EMPLOYMENT, HOUSING AND PUBLIC ACCOMMODATIONS, AND FROM THE PERPETRATION OF ACTS OF HATE VIOLENCE AND HUMAN TRAFFICKING.

DEPARTMENT OF FAIR EMPLOYMENT AND HOUSING

SEXUAL HARASSMENT

THE FACTS

Sexual harassment is a form of discrimination based on sex/gender (including pregnancy, childbirth, or related medical conditions), gender identity, gender expression, or sexual orientation. Individuals of any gender can be the target of sexual harassment. Unlawful sexual harassment does not have to be motivated by sexual desire. Sexual harassment may involve harassment of a person of the same gender as the harasser, regardless of either person's sexual orientation or gender identity.

THERE ARE TWO TYPES OF SEXUAL HARASSMENT

1. *"Quid pro quo"* (Latin for "this for that") sexual harassment is when someone conditions a job, promotion, or other work benefit on your submission to sexual advances or other conduct based on sex.
2. *"Hostile work environment"* sexual harassment occurs when unwelcome comments or conduct based on sex unreasonably interfere with your work performance or create an intimidating, hostile, or offensive work environment. You may experience sexual harassment even if the offensive conduct was not aimed directly at you.

The harassment must be severe or pervasive to be unlawful. That means that it alters the conditions of your employment and creates an abusive work environment. A single act of harassment may be sufficiently severe to be unlawful.

California Ed Code for Student Discipline

Students who display inappropriate behavior may be subject to suspension as outlined in the California State Education Code 48900 and 48915. A student may be suspended or expelled for acts which are related to school activity or attendance while on the school grounds, while going to or coming from school, during the lunch period whether on or off campus, and during or while going to or coming from a school sponsored activity.

EDUCATION CODE 48900.2: SEXUAL HARASSMENT:
In addition to the reasons specified in Section 48900, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5. For the purpose of this chapter, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive education environment. In addition to the grounds specified in Sections 48900 and 48900.2, a pupil enrolled in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has intentionally engaged in harassment, threats, or intimidation, directed against school district personnel or pupils, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting class-work, creating an intimidating or hostile educational environment.

A pupil may not be suspended or expelled for any of the acts enumerated unless that act is related to school activity or school attendance occurring within a school under the jurisdiction of the superintendent or principal or occurring within any other school district. A pupil may be suspended or expelled for acts that are enumerated in this section and related to school activity or expelled for acts which are enumerated in this section and related to school activity or attendance that occur at any time, including, but not limited to, any of the following:

"At the very minimum...students who are threatened with removal from school, depriving them of the fundamental right to a publicly financed education, are entitled to notice of the grounds for the removal and an opportunity to be heard." (Goss v. Lopez)
Suspension shall be imposed only when other means of correction fail to bring about proper conduct. However, a pupil, including an individual with exceptional needs as defined in Section 56026, may be suspended for any of the reasons enumerated in Section 48900 upon a first offense, if the principal or superintendent of schools determines that the pupil violated subdivision (a), (b), (c), (d), or (e) of Section 48900 or that the pupil's presence causes a danger to persons or property or threatens to disrupt the instructional process.

EDUCATION CODE 48900.6: DISCIPLINARY ACTION/COMMUNITY SERVICE:
Instead of disciplinary action prescribed by this article, the principal of a school, the principal's designee, or the
superintendent of schools, or the governing board, may require a pupil to perform community service on school grounds during non-school hours. This section shall not apply to instance where suspension or expulsion is required by this article. (Add. Stats. 1995, Ch. 972).

EDUCATION CODE 48900.7: SUSPENSION OR EXPULSION FOR TERRORISTIC THREATS:
(a) In addition to the reasons specified in Sections 48900, 48900.2, 48900.3, and 48900.4, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has made terroristic threats against school officials or school property, or both.
(b) For the purposes of this section, "terroristic threat" shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars ($1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family's safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family. (Add. Stats. 1997, Ch. 405)

EDUCATION CODE 48900.8: SUSPENSION, EXPULSION, PARENT NOTIFICATION AND STATE DEPARTMENT OF EDUCATION REPORT:
For purposes of notification to parents, and for the reporting of expulsion or suspension offenses to the State Department of Education, each school district shall specifically identify, by offense committed, in all appropriate official records of a pupil each suspension or expulsion of that pupil for the commission of any of the offenses set forth in subdivisions (a) to (o), inclusive, of subdivision (a) of, or paragraphs (1) to (4), inclusive of subdivision (c) of, Section 48915. (Add Stats. 1997, Ch637).

EDUCATION CODE SECTION 48915:

(a) Mandatory Recommendations, Permissive Expulsions: Except as provided in subdivisions (c) and (e) the principal or the superintendent of schools shall recommend the expulsion of a pupil for any of the following acts committed at school or at a school activity off school grounds, unless the principal or superintendent finds that expulsion is inappropriate, due to the particular circumstance:
(1) Causing serious physical injury to another person, except in self-defense.
(2) Possession of any knife, explosive, or other dangerous object of no reasonable use to the pupil.
(3) Unlawful possession of any controlled substance listed in Chapter 2 (commencing with Section 1053) of Division 10 of the Health and Safety Code, except for the first offense for the possession of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis. (For second offense, any amount, expulsion recommendation is mandatory. (AR 5131.6)
(4) Robbery or extortion.
(5) Assault or battery, as defined in Sections 240 and 242 of the Penal Code, upon any school employee.

Section 48918, the governing board may order a pupil expelled upon finding that the pupil committed an act listed in subdivision (a) or in subdivision (a), (b), (c), (d), or (e) of section 48900. A decision to expel shall be based on a finding of one or both of the following:
(1) Other means of correction are not feasible or have repeatedly failed to bring about proper conduct.
(2) Due to the nature of the act, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.
(c) Mandatory Expulsions (one year from date of expulsion): Principal or superintendent of schools shall immediately suspend, pursuant to Section 48911, and shall recommend expulsion of a pupil that he or she determines has committed any of the following acts at school or at a school activity off school grounds:
(1) Possessing, selling, or otherwise furnishing a firearm. This subdivision does not apply to an act of possessing a fire arm if the pupil had obtained prior written permission to possess the firearm from a certificated school employee, which is concurred in by the principal or the designee of the principal. This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of a school district.
(2) Brandishing a knife at another person. As used in this section, “knife” means any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing, a weapon with a blade longer than 3 ½ inches, a folding knife with a blade (any size) that locks into place, or a razor with an unguarded blade.
(3) Unlawfully selling a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code. (any amount)
(4) Committing or attempting to commit a sexual assault as defined in subdivision (n) of Section 48900 or committing a sexual battery as defined in subdivision (n) of Section 48900.
(5) Possession of an explosive.

Laws and Education Code Pertaining to School Attendance
Attendance
California's Compulsory Education Law – California's compulsory education laws require studentren between 6 and 18 years of age to attend school, with a limited number of specified exceptions. Under state law, a pupil who, without a valid excuse, is absent from school for three full days in one school year, or is tardy or absent for more than 30 minutes during the school day on three occasions in one school year, is considered truant. Once a student is designated a truant, state law requires schools, districts, counties, and courts to intervene to ensure that parents and pupils receive certain services to assist them in complying with attendance laws. When these various interventions fail—meaning parents or guardians still do not send a student to school or a student misses an unlawful amount of school—the matter is

referred to the courts. Courts can then use penalties or other measures to seek compliance. Essentially, these various interventions exist to ensure that pupils remain in school and that a pattern is not established that could lead to their dropping out of school later in their educational career.

California Education Code 48200 – Each person between the ages of 6 and 18 years not exempted under the provisions of this chapter or Chapter 3 (commencing with Section 48400) is subject to compulsory full-time education. Each person subject to compulsory full-time education and each person subject to compulsory continuation education not exempted under the provisions of Chapter 3 (commencing with Section 48400) shall attend the public full-time day school or continuation school or classes and for the full time designated as the length of the school day by the governing board of the school district in which the residency of either the parent or legal guardian is located and each parent, guardian, or other person having control or charge of the pupil shall send the pupil to the public full-time day school or continuation school or classes and for the full-time designated as the length of the school day by the governing board of the school district in which the residence of either the parent or legal guardian is located. Unless otherwise provided for in this code, a pupil shall not be enrolled for less than the minimum school day established by law.

Truancy and Habitual Truants
California Education code 48260. (a) – A pupil subject to compulsory full-time education or to compulsory continuation education who is absent from school without a valid excuse three full days in one school year or tardy or absent for more than a 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, shall be classified as a truant and shall be reported to the attendance supervisor or to the superintendent of the school district.

California Education Code 48262 – Any pupil is deemed an habitual truant who has been reported as a truant three or more times per school year, provided that no pupil shall be deemed an habitual truant unless an appropriate district officer or employee has made a conscientious effort to hold at least one conference with a parent or guardian of the pupil and the pupil himself, after the filing of either of the reports required by Section 48260 or Section 48261. For purposes of this section, a conscientious effort means attempting to communicate with the parents of the pupil at least once using the most cost-effective method possible, which may include electronic mail or a telephone call.
