

ABOUT US

Conejo Oaks Academy provides classroom and community-based experiences.

We Proudly serve students ages 18 through 22 who are in transition from high school to adult life, present with significant learning, adaptive and language needs, and are working towards a certificate of completion.

CONEJO OAKS ACADEMY

CONEJO VALLEY UNIFIED SCHOOL DISTRICT'S
POST-SECONDARY PROGRAM

*Supporting students
in their transition
from high school to adult life.*

Our Goals

1

Provide
SUPPORTIVE & POSITIVE
learning
environments for
students.

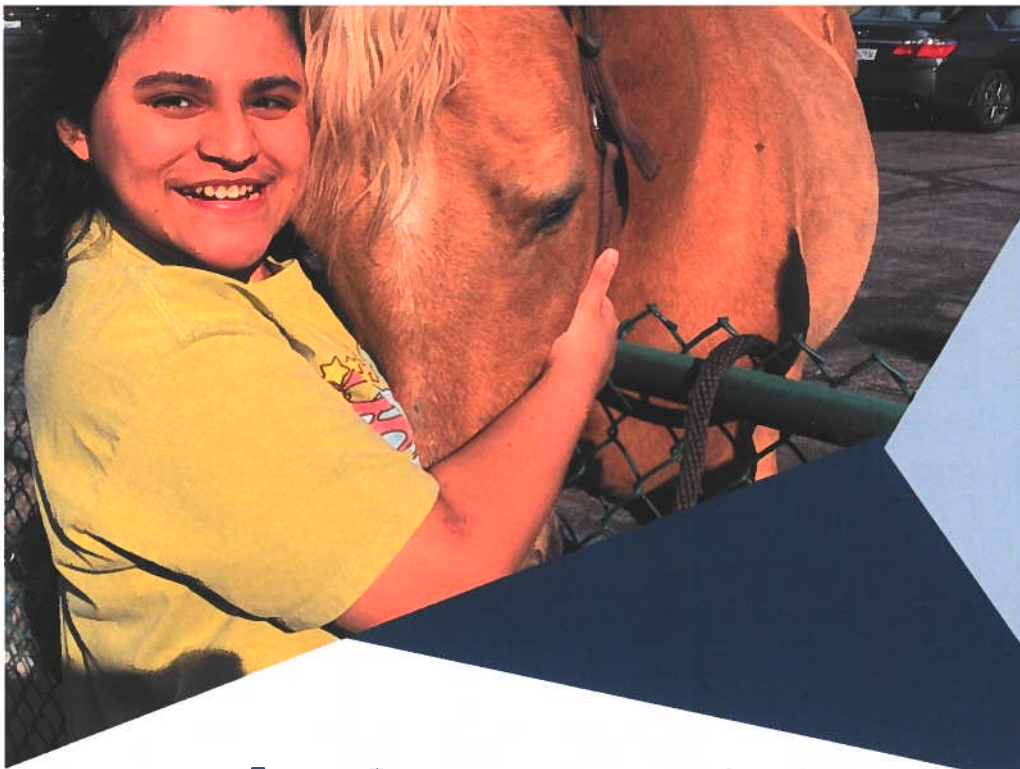

2

Provide
SPECIALIZED ACADEMIC INSTRUCTION
in functional academic
skills, communication
skills, life skills, and
vocational education
to meet students'
unique and individual
needs.

Our Program

- Students can access the program **five days per week** for **360 minutes per day**, based on an IEP team decision.
- We proudly maintain a low staff to student ratio.
- Our Program has **dedicated support providers, including paraeducators**, who assist students towards achieving their IEP goals.
- Students are eligible to receive services in the program until they are **22 years of age**, per California Education Code.
- We use curriculum that is focused on acquisition of skills in the areas of:
 - Functional Academics
 - Communication
 - Independent Living,
 - Self-Help
 - Social Skills, and
 - Recreation/Leisure

Hands-On Learning

Our students participate in **Community Based Instruction (CBI)** which support the development of vocational skills, employment strengths, as well as work preferences through:

- Job Tours
- Job Training
- Program Micro-Businesses
- Recreational Opportunities with Peers
- Exploration of Community Resources (e.g. *police, fire, grocery stores, post office*)
- Use of Public Transportation

Community Partnership

Community partnerships for vocational training include: restaurants, grocery stores, retail stores, elementary schools, farms, body shops and other local community partners.

Placement into the Conejo Oaks Academy Program is through the IEP process.
