2026-2027 PARENT/STUDENT/SCHOOL COMPACT

School Responsibilities

For the 2026-2027 school year, Perdido School will:

Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

Our teachers at Perdido School will teach state required concepts to your child. Our teachers will provide relevant, interactive homework assignments. We will integrate special activities to make learning enjoyable. Hold meetings during which this compact will be discussed as it relates to the individual child's achievement.

Parents are invited and encouraged to visit the school. Visits during the school day should be cleared through the principal's office. Parent-teacher conferences are most important in improving the learning atmosphere. Conferences may be held with the principal during the school day. Conferences with teachers should be scheduled before or after school or during a teacher's planning period after permission is granted by the principal.

Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports as follows: Student report cards are sent out after each quarter. Progress Reports are sent out mid-quarter. Grades are also accessible in PowerSchool.

Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents as follows: The parent-teacher conference is an important key to a successful school year. It should be a two-way communication between a parent and the teacher to discuss achievement, conduct, assignments and other information pertinent to the child's growth and development. Parent conferences can be arranged by sending a note to your child's teacher or by calling the office, 937-8456, to schedule an appointment for you. Parents are urged to meet with their child's teacher early in the year and throughout the year to monitor progress. The importance of parent involvement in the on-going program of the school cannot be emphasized strongly enough.

Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows: Parents are welcome to come visit their child's classroom with permission from the Principal. Parents and teachers can communicate through their students' agenda in the back of the student handbook.

Parent Responsibilities

We, as parents, will support our children's learning in the following ways:

· Monitoring attendance.
· Making sure that homework is completed.
· Monitoring the amount of television their children watch.
· Volunteering in my child's classroom.
· Participating, as appropriate, in decisions relating to my children's education.
· Promoting positive use of my child's extracurricular time.
· Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate. · Serving, to the extent possible, on advisory groups, such as Title I advisory committees and parental involvement committees.

Student Responsibilities

We as students take responsibility to improve academic standards. Specifically, we will:

· Do my homework every day and ask for help when I need to.
· Give anything received from school to parents/guardians daily.
· Read at least 30 minutes every day outside of school time.
