Provide job-embedded professional development to improve student support	Instructional Coaches	Substitutes and stipends for teachers, coaching cycle forms, Solution Tree Consultant, Kagan Coaching	Professional Development agendas, sign in sheets, action plans	8/3/26	1/26/27 Professional development documentation - sign in sheets, agendas, action plans 1/30/27 Professional development documentation - sign in sheets, agendas, action plans

Leadership for Learning

OBJECTIVE

By 2029, Silverhill Elementary School will expand innovative partnerships and financial structures to secure diverse funding, ensuring access and sustainability for all programs and initiatives, while also developing streamlined and efficient grant writing and procurement processes to ensure a secure and high-quality learning environment.

CRITICAL INITIATIVE

We will expand partnerships to enhance communication, innovative financial solutions, opportunities, growth & achievement.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity timeline
Elevate and share compelling stories that highlight impact, engage the community, strengthening community trust, increase engagement, and ultimately secure more investment	admin	School Facebook posts, flyers/brochures/Monthly communication, SWL spotlights	Social media posts, flyers/brochures/ Monthly communication log, Parent surveys	8/3/26	1/26/27 Frequency of social media posts and community and parent engage communication deepening highlighting the impact of our engagement, and successes 7/30/27 Frequency of social media posts and community and parent engage communication deepening highlighting the impact of our engagement, and successes
Deepen parent and family engagement to support student success and expand opportunities	teachers and admin	Family Nights/Volunteer Opportunities, Family Art Night Family Math Night, Family Math Night, Open House, Donuts with Dads, Grade Level Parties	Parent involvement sign in sheets, system survey results	8/3/26	1/26/27 Parent sign in sheets, Parent survey results 7/30/27 Parent sign in sheets, Parent survey results
Mailfather postage will support required communications and provide a consistent funding for the mailing of IEP documentation and the Alabama Literacy Act Parent Letters. These funds will support timely delivery of required notices, supports compliance with federal and state laws and helps avoid the school of meeting federal and state reporting requirements.	teachers and admin	mail stamp postage	mail stamp postage	8/3/26	7/30/27 mail stamp postage for family communication

CRITICAL INITIATIVE

We will improve safety and procedures by strengthening prevention practices to decrease incidents and improve responses

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity timeline
Develop a school-wide discipline plan that addresses behavior incidents and promotes engagement and learning	teachers	school-wide discipline plans and behavior incidents	Discipline referral data	8/3/26	1/26/27 Discipline referral data analysis 7/30/27 Discipline referral data analysis
Student recognition and incentives for positive behavior and academic achievement provided by PTO	teachers	Character Leaders rewards, Best of the Best, Student achievement and behavior incentives, attendance	discipline referral data, academic data (iReady, STAR, READY)	8/3/26	1/26/27 Discipline referral data and academic analysis 7/30/27 Discipline referral data and academic analysis

Engagement of Learning

OBJECTIVE

By 2029, Silverhill Elementary School will strengthen student engagement and drive growth across all domains by utilizing annual ELEOT data to target professional development, implement evidence-based strategies, and foster aligned teaching pathways and differentiated experiences for every student.

CRITICAL INITIATIVE

We will administer the ELEOT annually and use data to drive growth in all domains, strengthen student engagement and target PD needs.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity timeline
Complete school-wide ELEOT observations with the ELEOT instrument.	admin team	ELEOT observation tool	ELEOT observation data/feedback	8/3/26	1/26/27 Review and provide feedback from ELEOT observations with teachers 7/30/27 Review teacher observation data/feedback
Develop school-wide professional learning to support engagement (Kagan Structures)	teachers	Student engagement strategies, lesson observations, Kagan structures/student engagement strategies	Student engagement strategies, lesson observations, documentation - sign in sheets, agendas, action plans	8/3/26	1/26/27 Student Engagement Leadership Team Meeting documentation, observation 7/30/27 Student Engagement Leadership Team Meeting documentation, observation

CRITICAL INITIATIVE

We will expand opportunities for students to participate in innovative, interest-aligned learning experiences annually.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity timeline
Building Advisory Committee to Help Determine Future Plans for the Campus, Project Outreach	admin and teachers	meeting documentation - sign in sheets, agenda, action plan	student surveys	10/1/26	1/26/27 meeting documentation - sign in sheets, agenda, action plan 7/30/27 meeting documentation - sign in sheets, agenda, action plan
Art/Literacy Night (Art Literacy Night) for our affiliated with Alabama Literacy and Math Night	teachers	Family Art Night / Family Math Night	Parent sign in sheets, student surveys	8/3/26	7/30/27 Art Night, Math Night, sign-in sheets and surveys
Instructional supplies and materials to support daily instruction, ongoing assessment, and student engagement in the classroom. Changing carts will provide access to student devices, and workstands will support student-centered learning. Essential items include presentation and printers, ink, and paper, while supplies will allow for differentiated instruction and hands-on activities aligned with consistent implementation of quality instructional materials.	admin and teachers	charging carts, workstands, poster maker, ink, paper, toner, Canvas printers, conference room printer	The activity will be considered accomplished through documentation of staff feedback and evidence gathered from classroom observations and evidence Post implementation surveys will be conducted to gather feedback on the effectiveness of the materials and support within the school. Classroom observations, conducted by leadership and staff feedback will provide insights into the application of instructional strategies and adjustments to improve instruction. Student performance data and school practices.	8/3/26	7/30/27 charging carts, ACAP workbooks, poster maker, ink, grade level high volume printers, conference room printer
Instructional software, including Reflex, Read Naturally, Renaissance, and Comprehension 99, will provide student-centered learning opportunities, practice in reading and mathematics, and data to support differentiated instruction and intervention, skill development, progress monitoring, and data-driven decision-making to address student needs and improve academic achievement.	teachers and admin	Reflex, Read Naturally, Renaissance, and Comprehension 99	Reflex, Read Naturally, Renaissance, and Comprehension 99	8/3/26	7/30/27 Reflex, Read Naturally, Renaissance, and Comprehension 99

Growth in Learning

OBJECTIVE

By 2029, Silverhill Elementary School will utilize the district Professional Learning Framework to provide targeted, data-driven professional development, ongoing coaching, and collaborative learning opportunities for all instructional staff.

CRITICAL INITIATIVE

We will participate in action research throughout the school year to inform and enhance teaching practices.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity timeline
Professional learning conferences out of state for leadership and targeted development opportunities for school staff (ACAP for administrators and Reflex training for teachers) to support and strengthen instructional leadership, increase student engagement and literacy, and implement effective online library and literacy practices. Funding for staff to bring back knowledge, practices and implementation to the school community.	admin and teachers	The activity will be considered accomplished through documentation of staff certificates of conference attendance and evidence Post implementation surveys will be conducted to gather feedback on the effectiveness of the materials and support within the school. Classroom observations, conducted by leadership and staff feedback will provide insights into the application of instructional strategies and adjustments to improve instruction. Student performance data and school practices.	8/3/26	7/30/27 conference documentation
Professional learning conferences in state for leadership and targeted development opportunities for school staff, including Covid Relief Conference and ASLA for the school librarian. Participation will support and strengthen instructional leadership, increase student engagement through effective literacy strategies, enhance library practices and services, and allow for the school to research-based practices and resources back to the school community.	librarian and admin	Funding will be needed to support travel	The activity will be considered accomplished through documentation of staff certificates of conference attendance and evidence Post implementation surveys will be conducted to gather feedback on the effectiveness of the materials and support within the school. Classroom observations, conducted by leadership and staff feedback will provide insights into the application of instructional strategies and adjustments to improve instruction. Student performance data and school practices.	8/3/26	7/30/27 conference documentation
Examine data by subgroups to close achievement, opportunity gaps, discipline to identify deficiencies and implement action research to improve instruction and share successes	teachers and admin	MTSS meetings, leadership team, leadership team meeting agendas/minutes	meeting documentation - agendas, sign in sheets, action plan	8/3/26	1/26/27 Weekly documentation, mid/year data analysis 7/30/27 Weekly documentation, end of year data analysis
Utilize a variety of assessments to give feedback and close gaps in practices and implementation to drive our improvement planning	admin	ELEOT/ACOT observations	ELEOT observation data, ACOT observation data	8/3/26	1/26/27 Observation log/feedback, ELEOT & ACOT observation data 7/30/27 Observation log/feedback, ELEOT & ACOT observation data

CRITICAL INITIATIVE

We will conduct action research to enhance effective teaching practices to address the academic achievement/growth of an identified subgroup- English Language Learner students.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity timeline
Academic leadership team meetings, SPED leadership team meetings, RTI meetings	teachers and admin	Academic leadership team meetings, SPED leadership team meetings, consultant, RTI meeting schedule	Meeting documentation - sign in sheets, agenda, minutes	8/3/26	1/26/27 Meeting documentation - mid/year data analysis 7/30/27 Meeting documentation - end of year data analysis
Math and reading data will be used to see at home	admin and teachers	purchase math and reading data management for the school	Evidence of implementation and data collection of family engagement activities, parent surveys, planning/portfolios, copies of materials used, documentation records or sign in sheets, and parent feedback forms. Successful implementation will be demonstrated by increased access to resources and support learning at home, strengthen communication and collaboration between teachers and the school.	8/3/26	7/30/27 distribution documentation

Sustainability & Progress

OBJECTIVE

By 2029, Silverhill Elementary School will ensure long-term district progress by expanding its capacity through strategic succession planning, leadership development, and sustaining a rigorous focus on academic achievement and college and career readiness, while also leveraging strategic initiatives to recruit and retain a high-quality, educator workforce.

CRITICAL INITIATIVE

Sustain & expand our focus on academics & content instruction to strength the college and career readiness of students.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity timeline
Increase math achievement for all local and state and federal assessments through improved engagement, learning and problem-solving skills	teachers, admin, math coach	Office of Math Instruction, Math instructional resources, math manipulatives (green bins), Math Coach, Learning Lab and Xtenz machine contract	iReady math assessments, data, data documentation	8/3/26	1/26/27 mid/year data analysis -iReady math assessments, data, data documentation, intervention schedules end of the year data analysis -iReady math assessments, data, data documentation, meeting documentation, intervention schedules
Increase ELA achievement for local and state level assessments through improved engagement, learning and problem-solving skills	teachers, ARI coach,, admin, part time instructors, full time instructors	Reading data meetings, reading technology/ supplemental resources, Xtenz, Xtenz Novela, Xtenz vending machine, 3 part time instructors (PTI) instructors, 1 full time reading instructor	meeting documentation - agenda, sign in sheets, action plan, achievement and growth data, intervention schedules, PTI's instructors, 1 full time instructor, intervensional schedules	8/3/26	1/26/27 Meeting documentation, STAR reading data analysis, reading score documentation, intervention schedules 7/30/27 Meeting documentation, STAR reading data analysis, reading score documentation, intervention schedules
Utilize a full time intervention teacher to increase student achievement on local and state level assessments through improved engagement, learning and problem-solving skills	admin	one full-time intervention teacher	STAR/ACAP/iReady data	8/3/26	1/26/27 data documentation 7/30/27 data documentation
Utilize two part-time intervention teachers to increase math achievement on local and state level assessments and growth through improved engagement, learning and problem-solving skills	admin	STAR/ACAP/iREADY data	data documentation	8/3/26	1/26/27 data documentation 7/30/27 data documentation
Utilize one part-time intervention teacher to increase math achievement on local and state level assessments through improved engagement, learning and problem-solving skills	admin and instructional coaches	STAR/ACAP/iREADY data	data documentation	8/3/26	1/26/27 data documentation 7/30/27 data documentation
