

September 28-Oct. 1, 2026

Kinder Highlights

What's in the bag letter: Ff

Signups for *parent/teacher conferences* taking place October 8-9th will come out September 25th.

Adopt-a Book info for Grandparent's Day:

As part of the events scheduled, grandparents will be given a wonderful way to "leave a legacy" at our school. Grandparents may stop in front of the library with their grandchild and choose a book off the "Adopt-a-Book" tables to "adopt". We will place a personalized bookplate with your grandchild's name on the inside cover. The book will be checked out and delivered to your grandchild in their classroom the week after Grandparent's Day. We ask for a minimum \$10.00 donation per book adopted (Cash, Credit Card, or Check to "TCA"). An option for grandparents unable to attend, you may donate through the following link <https://secure.qgiv.com/for/adopt-a-booknorth/> and your grandchild will pick out a **book to adopt on Grandparents' Day**. All proceeds go to purchase new library books for our library. Thank you for your generosity! Please contact Mrs. White, Elementary Librarian, with any questions. bwhite@tcatitans.org

Count Day: This year, our count day is Thursday, October 1, 2026. Through this count, TCA reports all students who are actively enrolled and attending classes. The count supports the State in determining funding eligibility for our students and is very important to our school, the district, and to the funding of our programs. Please make every effort to have your student in attendance during the count period of September 24 through October 8, 2026, and especially October 1. Avoid scheduling appointments or vacation. If your student is not in attendance on Count Day, the school must provide additional documentation to the Colorado Department of Education (CDE) that your student attended with us both before and after their absence. If you know your student will be gone from October 1, 2026, through October 8, 2026, please complete a pre-arranged absence form.

Curriculum

Phonograms- Introducing m,n,p, and t! Testing o, c, a, d, f, g
