C	72.5 - 76.49	2.3333	2.0	NG	No Grade	n/a	n/a

How GPA is Calculated

RHS uses a weighted GPA system. Seminar, AP, Integrated, and Honors receive weighted (W) quality points. Advanced (A) and Grade Level classes receive unweighted (UW) quality points.

Class Rank: Not reported.

GPA: Cumulative and updated annually. Courses taken at other institutions are not included. Unweighted Cumulative GPA on transcript does not account for instructional levels.

The mission of the Radnor Township School District is to inspire in all students the love of learning and creating, and to empower them to discover and pursue their individual passions with knowledge, confidence, and caring to shape the future.

Curriculum & Academic Opportunities

COURSELOAD AND ACADEMIC REQUIREMENTS

6.5

Minimum credits earned each year

8

Maximum courseload

22.5

Minimum credits to graduate

NONE

World Language graduation requirement

ACADEMIC PROGRAMMING

Integrated Curriculum	Interdisciplinary courses co-taught by both an English and Social Studies teacher, and considered to be among the highest level courses in these disciplines.
Independent Study (IS)	Grades 11–12; faculty-guided, one-semester (0.5 credit) or full-year (1 credit).
Career & Technical Education	Radnor students attend classes at either Delaware County Technical School (DCTS) or Technical College High School (TCHS) beginning in 10 th grade.
Medical Careers Program	High achieving twelfth graders interested in medical professions may apply to the competitive Medical Careers through DCTS, spending their mornings at a local hospital. Students earn 2 honors level credits.
Project Lead the Way (PLTW)	Coursework available in Engineering, Computer Science, and Biomedical Science. Qualifying PLTW Engineering students may earn college credit through Rochester Institute of Technology.
FlexMod/FlexCyber	Classes denoted as “FM” on a transcript are structured with both in-person and asynchronous classes. FlexCyber (FC) courses offer even more flexibility in modality.
Radnor Cyber Academy	Online coursework through Edmentum; students may take some or all classes online.
Dual Enrollment	Radnor currently offers one dual enrollment class: Linear Algebra H (University of Pittsburgh).

AP COURSES

AP Policy: AP courses begin in Grade 10 with teacher recommendation, and RHS does not cap AP enrollment. The corresponding AP exam is required to retain the AP designation on the transcript; otherwise, the course is listed as Honors.
