

Hello Seniors and Senior Parents,

In order to help our families maximize the amount of money awarded from the Free Application for Federal Student Aid (FAFSA), LPS is hosting a FAFSA workshop for seniors on three different dates. The workshop is designed for you and your child to be able to begin (or continue), complete, and submit the FAFSA during the Workshop. In order to make sure we can provide the necessary assistance, we are requiring parents/students to sign up. If you are interested in attending the Workshop, please click on the link below and complete the sign up for the date and time that works for you.
