Parent Teacher Conferences

We have Parent/Teacher Conferences coming up on October 8th and 9th. This is the one conference that we require all families to sign up for, so please make every effort to choose a time that works for you and make it a priority to attend.

Sitting down together to communicate about your child's strengths, areas for growth, and overall progress is incredibly helpful. These conversations also give me valuable insight into your child as an individual and help us better understand how I can support them at school.

If you do not see a conference time that works for your schedule, please email your teacher, and we will work to arrange a time to meet after Fall Break.

Thank you for making this a priority. We look forward to meeting with each of you!

A Note for Ms. Kwan's Students

As Parent-Teacher Conferences approach, if you have any questions or concerns about your student's experience or progress in Miss Kwan's math class or computers and would like to meet, Miss Kwan is available for conferences. Please email her at tkwan@tcatitans.org, and we can coordinate a time that works best for you on October 8th or 9th.

We Are Titans!
