

Good morning, Manta Rays!

Happy Dolly Parton Day! Today, on 9-2-5, we celebrate Dolly's legacy of kindness and community service.

HAPPY
BIRTHDAY

A Very Happy Belated Birthday to our very own Mrs. Jones! We are so grateful for all of your help with ASB and for being the amazing and kind teacher that you are!

Be sure to wish her a Happy Birthday when you see her!

After An absence- Don't forget to stop by Ms. Tiff in Attendance to pick up a readmit slip to show all of your teachers that verifies that you have been checked back into school.

This is an important step so that we know that your attendance and medical records are correct!

Students- There will now a suggestion box in the attendance office.

Feel free to share ideas with ASB for possible fun events later in the year, ideas on how to improve our school, etc

ALL STUDENTS!

Interested in starting a club?

All you need is:

- an adviser (ask a teacher)
- several other middle school members
- complete a Google Form (They are in your Grade Level)

Any questions? Find an ASB member or Mrs. Jones.

REMEMBER: ALL CLUBS MUST BE APPROVED BY ASB

Support Period

Don't forget- You must go to your assigned Support class and may not visit another class without using a Support Pass.

Don't forget that you will still be marked absent if you don't report back to your assigned class after the Support period ends!

Not following this protocol will result in an Unexcused Absence or a Cut, at your assigned teacher's discretion.

IMPORTANT

7th Period and Middle School Athletics- Don't forget to report to your 7th period class before going to your practice, tutoring in the library, or a game!

Do you know a Manta Ray who is having a Birthday soon? Bring \$5 to Ms. Tiff in Attendance and we will give them a special shout out in the Manta Ray Minute!

All students! Important!

While your parents are welcome to leave lunches, water bottles, jackets, etc, in the Attendance Office, we can not interrupt classrooms to let students know to come and get their things.

You can always come down to Attendance to see if something has been dropped off or call your contacts from a "land line" if you forgot something.

All students!

You are responsible for having your Chromebook at school, every day, fully charged. ⚡

If you are having issues with your Chromebook and tech is not available, please submit a Student Technology Support Request ticket.

There is a QR code in the Main Office that you can use to access that Support Request ticket.
