Grandparents’ Day:

We look forward to welcoming Grandparents to our classrooms. We recognize that many grandparents need to make visits to different classrooms, so please share with them each classroom’s schedule of activities. Grandparents’ Day will begin with a special performance in The Brown Center at 9:00 am.

*Archaeological Dig:

Each first grade class is scheduled for a different day and time for their archaeological dig. Please see details on dates/times from your child’s teacher! Students are encouraged to wear TCA approved jeans on their assigned dig day only – regular uniform shirts and belts, please. As with each of our curriculum days, we also ask that volunteers be adults only – no siblings. We look forward to bringing history to life with this activity!
