

Beaumont Independent School District

Parent and Family Engagement Policy

2026–2027

Adhering to Beaumont ISD's vision, mission, and core beliefs, we will promote strong school-home partnerships to ensure every student is known, supported, challenged, and prepared for success. The district will achieve this through multiple areas of support.

Parent and Family Engagement Policies and Compacts

- The District Parent Advisory Council will review and revise the district policy annually.
- Individual campuses will create, evaluate, and revise School-Parent Compacts and Policy with parents.
- Compacts and Policies will be provided in both English and Spanish

Parent and Family Engagement Trainings and Meetings

- Campuses will offer training and sustained support for parents and families held at various times and on multiple days:
 - STAAR content training/STAAR Nights
 - Content-specific training
 - Fostering literacy training
 - Building student achievement
 - Book studies
 - Other skills, such as basic computer or English classes
 - Translation in Spanish will be offered, to the extent practicable
 - Monthly campus parent meetings/engagement activities will be offered.

Build the schools' and parents' capacity for strong parent engagement

- Educating all stakeholders on the value and contributions of parents/families
- Best practices in communication with schools and teachers
- Open Houses will be held on each campus and will include Title I, Part A information
- Smaller meetings with the Principal will be held on campuses to share Open House information
- Provide information in both English and Spanish

BISD campuses and employees will reach out to parents and ask for their participation in engagement events through multiple sources, including: webpage, flyers, personal invitations during drop off and pick up times, social media outlets, and our callout phone system. All of this will, where to the extent practicable, be provided in both English and Spanish. Building strong community ties through business partners will be cultivated and included in PFE events.

Beaumont ISD will implement the following:

- BISD will create and provide programs, activities, and procedures that will involve all parents at all Title I campuses. These will be planned and presented with meaningful input from parents of participating students.
- The district Family Engagement Program Manager will work with the campuses to ensure that school-level parent and family engagement policies meet Title I, Part A requirements.
- BISD will include our district-wide parental involvement policy in our district plan.
- The district and its schools will provide full opportunities for the participation of parents with children of limited English proficiency, disabilities, and migratory status. BISD will provide information and school reports in an understandable format and, to the extent practicable, in a language the parent understands.
- BISD will involve parents in the decision-making process concerning the expenditure of Title I parent and family engagement funds and ensure that all regulations are followed.
- BISD will be guided by the following definition of parent and family engagement:

Parent engagement in schools is a shared responsibility where schools actively engage parents in meaningful ways, and parents actively support their children's learning, development, and growth, including ensuring that:

- Parents play an integral role in assisting their child's learning.
- Parents are encouraged to be actively involved in their child's education at school.
- Parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
