

Lisa Evans Scholarship

Thank You – Together, we've reached a milestone of \$500,000+ for the Lisa Evans Scholarship.

Through your generosity, our community has come together to establish the Lisa Evans Scholarship, an endowed award, honouring Lisa as she completes her 34th and final year at Collingwood. This important milestone is a remarkable reflection of our community's generosity and commitment to creating greater access to a Collingwood education.

**FIRST SCHOLARSHIP RECIPIENT
SELECTED IN 2026/27**

SELECTING OUR FIRST SCHOLARSHIP RECIPIENT

This school year, we will select the first recipient of the Lisa Evans Scholarship. The recipient of the Scholarship will be a new or returning student entering Grade 8-10 who is able to demonstrate visionary leadership, commitment to community and care for others along with expressed financial need.

Our goal is to support a student whose leadership is grounded in integrity, empathy, and the ability to inspire others—qualities Lisa Evans has championed throughout her career. The deserving student will receive significant annual financial assistance beginning in the 2027/2028 school year, thanks to your support.

This is an exciting milestone for our community, marking the transformation of the scholarship from an idea into a meaningful investment that will directly support a student and help shape their future for years to come.

THANK YOU

Thank you for helping bring the Lisa Evans Scholarship to life. Your generosity has created an enduring opportunity for students and a meaningful legacy that will honour Lisa's impact at Collingwood for years to come.

"I am humbled and deeply moved to know that over half a million dollars has already been raised for the scholarship in my name. What an incredible honour for my final year at Collingwood!

Knowing that your generosity will give a deserving student the chance to attend Collingwood — an opportunity that might otherwise have been out of reach — means more to me than words can say.

Thank you from the bottom of my heart."
