Join **CHAMPIONS®** at **Strasburg Elementary!**

to keep learning and laughing when school is out!

Our Before & After-School/Extended Learning programs start when school stops so your child can extend their education in a new way every day.

In our accredited programs, your child will:

- Be safe and sound with our industry-leading health and safety practices
- Laugh and play with friends—which is something kids are craving after this year of isolation
- Strengthen STEM learning skills that kids need to succeed in the classroom and community
- Explore independent curiosities and collaborate on group projects
- Move their body indoors and outside with dance, yoga, and free play time
- Get homework help so they can focus on family (or have downtime) when they get home
