INSIDE MUSD IS BACK.

Dear MUSD Families,

Inside MUSD is back for Season 4.

We are kicking off the new season of Inside MUSD - 347 Listen and Learn with Just the Facts: Proposition 416, featuring MUSD CFO Jacob Harmon. Mr. Harmon joins us to break down the financial side of the Maintenance & Operations Override and answer questions surrounding the November ballot.

Season 4 will bring MUSD conversations, stories, and information directly to you. You can even listen on your drive down the 347.

Tune in on Spotify, Apple Podcasts, or musd20.org/InsideMUSD.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
