

Breast Cancer Awareness Month

On Wednesdays We Wear Pink!

Dear Blazer Community,

This October, the Health Department is teaming up with Rally for Relay to raise awareness and funds in support of Breast Cancer Awareness Month. We invite our students, staff, and families to join us in supporting this important cause throughout the month.

The Health Department and Rally for Relay will have a fundraising table set up before school where students and staff can purchase pink items to show their support.

- Bracelets - \$5
- Socks & Lanyards - \$3
- Stickers/Miscellaneous items - \$1

Cash will be accepted, or checks can be made payable to GNPS and labeled “Donations.” 100% of the proceeds will be donated to the American Cancer Society.

“On Wednesdays We Wear Pink!”

Throughout October, we are encouraging the entire North Middle School community to help us raise awareness by wearing pink every Wednesday!

Wear Pink: October 7 • October 14 • October 21 • October 28

Whether it's a pink shirt, socks, bracelet, or another pink accessory, we hope everyone will participate and help us turn North Middle PINK every Wednesday!

Thank you for helping us raise awareness, support an important cause, and bring our school community together.
