Issue: 3 (26-27) *Aim High, Work Hard, Care Deeply* **25th September 2026**

A message from Mrs Tomlinson…

This week has been another productive one at Lynch Hill, with many opportunities for our pupils to demonstrate leadership, responsibility and a commitment to supporting others.

Our newly appointed Young Ambassadors have wasted no time in getting started. Their first task has seen them conducting pupil surveys during lunchtimes, gathering valuable feedback from children across the school. These responses help us to identify what is working well and where we can make further improvements. The ambassadors have already been proactive in sharing emerging themes with our School Council members in KS2, who can then take these discussions back to their classes through class discussions and PSHE sessions. It is already clear that these young leaders are going to be highly effective and make a real difference to school life this year.

It has also been an exciting week for a number of our Year 6 pupils who were successfully appointed as Reading Buddies. On Monday afternoon, they took part in specialist training to prepare them for this important role. We are extremely grateful to the ABC to Read charity for giving their time so generously to deliver the training and equip our pupils with the skills and confidence they need. Following the session, our new Reading Buddies proudly collected their lanyards and have already begun supporting younger pupils on their reading journeys. We know they will have a hugely positive impact.

Our preparations for the school's 70th anniversary celebrations continue to gather momentum. Merchandise sales have been very positive and plans are now taking shape for a special celebratory lunch on the final Friday before the half-term break. This promises to be a wonderful way to mark this significant milestone in our school's history, and further details will be shared with parents over the coming days.

Yesterday, we were pleased to welcome our SEBMAT Link Director to Lynch Hill. Following a discussion around our school priorities and next steps, we toured the school together. He was particularly impressed by the focus, engagement and positive attitudes to learning demonstrated by pupils across classrooms. It is always pleasing when visitors recognise the hard work and commitment shown by both our children and staff each day.

In today's increasingly digital world, keeping children safe online remains one of our key priorities. Before beginning their Autumn 1 Computing units, pupils across both Key Stage 1 and Key Stage 2 have participated in a series of online safety lessons through Purple Mash. As a school, we believe online safety is far too important to be treated as a one-off lesson. For this reason, pupils revisit key online safety messages before every computing unit throughout the year, ensuring that the learning remains relevant, current and meaningful. We also know that parents play a crucial role in supporting children online. We will be sure to signpost families to useful online safety courses and resources to help keep everyone informed about the latest developments and challenges in the digital world.

Finally, a gentle reminder regarding site safety. Last week I mentioned parking and this week I would like to ask for your support in adhering to our one-way system on the main drive. While it is perfectly acceptable to use both lanes when the gates initially open for collection, once you have collected your child, please ensure you follow the designated one-way route. As always, our children learn a great deal from the examples set by adults around them. In addition, if your child has a bicycle or scooter, please ensure that it is walked down the main drive rather than ridden. These small actions make a significant difference to the safety of everyone using the site.

Thank you, as always, for your continued support. I hope you all have a lovely weekend, and I look forward to seeing everyone again next week.

Lindsey Tomlinson

Well-being: Local and Global Citizenship

At Lynch Hill School, we have 6 Personal Development Strands which underpin children's learning and development and enhance wellbeing. We would love to co-work with families, so these strands are shared in homes too. Our third strand is *Local and Global Citizenship:*

As part of our commitment to pupils' Personal Development, we encourage our pupils to consider the

Lynch Hill School Primary Academy Newsletter

Issue: 3 (26-27) *Aim High, Work Hard, Care Deeply* **25th September 2026**

positive contributions they can make within their local community and within the wider world. It is imperative that our children recognise how fragile our planet is. We aim to encourage pupils to make good choices, understand what they need to achieve to tackle climate change and become more eco-friendly.

Some key points for consideration of citizenship in your home:

- Everyone of every age and stage can contribute to home life. Even nursery age children can help lay the table, tidy up and carry items to where they should be.
- Make one environmental change in your home: reuse items, turn down your washing machine heat setting, change a product you buy for a locally sourced option.
- Think wider: how can you be helpful neighbours and friends? Can you put out bins for someone on your street, or have a coffee with a friend who needs to talk?
- Volunteer for an organisation, charity or faith group that is meaningful to you.

Preparing for school

A successful school day starts before children arrive at school. We kindly ask parents and carers to support their child in developing independence by helping them to pack their school bag each evening and ensuring they have everything they need for the next day. Please check that your child comes to school with the correct equipment including their homework diary, pencil case and water bottle. Being organised and prepared helps children settle quickly, feel confident, and make the most of their learning opportunities.

Contacting teachers

As we begin the new school year, we understand that parents and carers may have questions, concerns, or information they wish to share with school. We value open communication and want to ensure that all messages are received and responded to appropriately. If you need to contact your child's teacher, please do so by writing a note in your child's homework diary, calling the school office, or emailing the teacher directly. These methods help ensure that messages are passed on promptly and accurately. Please be aware that mornings are a particularly busy time for staff as they welcome children into school and support them to settle calmly and successfully into their learning. As a result, teachers are generally unavailable to hold discussions with parents at the classroom door. We appreciate your understanding and cooperation in helping us maintain a positive and productive start to the school day for all pupils. Thank you for your continued support.

Free School Meals

The new eligibility criteria for free school meals came in to affect from the 1st September 2026.

You will be able to claim free school meals for your child if you receive one of the following benefits:

• Universal Credit (Regardless of income)
• Income Support
• Income based Jobseeker's Allowance
• Income related Employment and Support Allowance
• Support under Part VI of the Immigration and Asylum Act 1999
• The guarantee element of Pension Credit
• Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16190)
• Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit

To apply for your child to receive free school meals, you must complete the form via the link below.

The Cozy Reading Corner

At our school, we want to encourage reading across the whole of the school community – and that includes our parents and carers! This term we will continue with our book reviews from/for our children. This week we have a review from ***Marwa in Year 4***

Urgent – Cardboard tubes needed!!

Year 1 are in ***urgent*** need of cardboard tubes for their new Design and Technology unit. If you have any kitchen roll tubes, wrapping paper tubes, tubes from maps, artwork, etc., please bring them in to school before the end of September. Thank you!

Childcare Vouchers

Please be aware that our school can only accept childcare vouchers for Funzone, Breakfast club, after school clubs and the Nursery midday provision. We cannot take vouchers for trips, instrumental lessons, or meals/lunch cards. Thank you for help in this matter.

We are a Nut, Seed and Pineapple Free School

Please make sure that you do not give your children nutty bars, seeded bread, Nutella, Kinder Bueno or any other item containing nuts in their lunch box. We have a number of children and staff with life threatening allergies to nuts, seeds and pineapple, and even touching the hand of a child who has come in to contact with nuts, seeds or pineapple could be fatal.

No nuts, no pineapple + no seeds = no problem.

Please note that all Friday meal debts will not be on SchoolMoney until Monday afternoon.

Starting Secondary School in Slough 2027/28

Apply online at www.slough.gov.uk/school-admissions

It is important that you take time to read this information which outlines the application process for a year 7 school place.

Dear Parent/Carer,

If your child was born between 1 September 2015 and 31 August 2016, and you live in Slough, you can now apply online for a transfer from primary (Year 6) to secondary school (Year 7) for September 2027.

The Citizen Portal on the council website is now open to receive applications. There are clear and simple prompts to guide you through making your application.

You will also find the ***Starting secondary school booklet*** on the council website. The booklet contains a wealth of information to help you choose the right schools, make an application and understand how the application process works. It provides a profile of all of Slough secondary schools alongside information about admission arrangements.

Who should apply?

Current Year 6 pupils - children who will be transferring from primary (Year 6) school to secondary school (Year 7) in September 2027.

When do I need to apply?

You can apply anytime from 1 September 2026. **To receive an offer of a school place on national offer day, you must submit an application by 31 October 2026.**

Please note: In order to maximise your chances of being offered one of your preferred schools

- **You MUST submit an application with any required documents/ supplementary forms on time.**
- **Your child MUST meet the admissions criteria of the school to be offered a place.**

and there is

- **NO automatic transfer from a primary into a secondary school.**
- **NO automatic offer of a sibling place without making an application.**

Apply online at www.slough.gov.uk/school-admissions Closing date to apply 31 October 2026

Changing your preferences or changing the order after submitting an application

You can make any changes to your application before the closing date. However, if you wish to change your preferences after the closing date or you wish to change the preference order, all your preferences would be considered as late applications and considered after all on-time applications.

It is possible to change your preferences after your application has been downloaded by the Admissions Team but you will need to complete an amendment form which you will find on the council's website.

What happens if I miss the closing date?

For the avoidance of doubt, all applications submitted and received after the closing date (31 October 2026) will be deemed as late applications. They will be considered after those that are received on time and after the first round of offers have been made.

How do I apply?

If you live in Slough you MUST apply through Slough Borough Council. The easiest way to apply is online.

Go to www.slough.gov.uk/school-admissions and follow the instructions on the screen.

If you do not have internet access at home you can still apply online at your local library or at the council offices.

Who can make the application?

Applications must be made by a parent or carer who holds legal parental responsibility for a child. Only one application should be made per child.

Contact the Admissions Team
