ECHS Summer Bridge

All incoming freshmen at ECHS are required to take the TSIA2 in Math, Reading, and Essay. ECHS provides a Summer Bridge opportunity for all incoming freshmen on May 26 & 27, 2026. Summer Bridge is an intensive 2 day workshop where students work with ECHS teachers to target their skills and challenge the TSIA2 College Readiness test.

If you are unable to attend Summer Bridge (May 26th - 27th), complete the necessary steps below no later than **June 25, 2026**; otherwise, your child will be withdrawn from ECHS and re enrolled to their home campus.

*Schedule an appointment with [Midland College Testing Center](#) to challenge the TSIA2 in Math, Reading, and Essay.

*Email the Accuplacer Individual Student Report (ISR) to luisa.campos@midlandisd.net for each section taken **on or before June 25, 2026**.

*Deliver the Accuplacer Individual Student Report (ISR) to the front office of ECHS for each section taken **on or before June 25, 2026**.

Additionally, the summer reading project is a requirement to be completed on the first day of English 1 class for the 2026-2027 school year. The summer reading list is attached for your convenience.
