### Core Values:

*Honesty* - Isaiah

*Kindness* - Emily

*Integrity* - Jayden

*Respect* - Ruby

*Responsibility* - Luther

*Desire* - Ava Aston

**Group One: Tech (red and black); Meets at the front of the ECHS building near the green tables.**

Rylan Spears

Darlin Ortiz-Gutierrez

**Group Two: Baylor (green and yellow); Meets at the AFA entrance near the benches in front of the parking lot**

Isaiah

Kadisha Carrillo

**Group Three: A&M (maroon); Meets near the entrance of the Marie Hall building**

Luther

Jayden

**Group Four: UT (orange and white); Meets near the bridge where the soccer tournament was held**

Kip Tling

Ava Aston

## SUMMER BRIDGE

May 27-28

### Meet and Greet Activities:

#### Common thread (Required)

Divide students into groups of four and have them sit together in these small groups. Give each group five minutes to chat among themselves and find something they all have in common. It could be that they all play soccer, or pizza is their favorite dinner, or they each have a kitten. Whatever the common thread, the conversation will help them get to know one another better. Check in with the groups after five minutes to see if they need more time. After each group has come up with their common element, have them work together to create a flag that represents it.

#### Follow the Leader (Optional)

Ask for a volunteer guesser and have them leave the room. While they're gone, choose a leader and have the group stand in a circle. The leader begins a movement, which the rest of the group must mimic. (For instance, the leader might jump up and down or wave their arms over their head.) Invite the guesser back in to stand in the middle of the circle as the movements continue. Every so often, the leader changes the movement, and the rest of the group follows. The guesser must try to determine who the leader is by watching the group's actions closely.

#### Vroom Skirt Game (Optional)

Ask everybody to form a circle and hold their hands up like they are holding a steering wheel. After this, one person will start the game by turning the imaginary wheel either to the left or right and saying *Vroom!*. The person left or right of the initial driver (depending on which direction the driver picked) then either turns the wheel in the same direction and yells *Vroom!*, or they turn in the opposite direction and yell *Skirt!*. The point of this game is to match the motion with the word. So if you want to reverse the direction, you must yell *Skirt!*. If you want to keep going in the same direction, then you must

## SUMMER BRIDGE

May 27-28

yell *Vroom!*. If the motion does not match the word, then the person is eliminated from the competition. If you have any questions, ask Mrs. Reynolds. Maybe do a practice round to start if you have time.

# WELCOME TO ECHS

On behalf of Early College High School Faculty and Staff, I am excited to welcome you to ECHS Summer Bridge. We have two full days of important information to share with you. You will also have the first opportunity to take the TSIA (college readiness) exam.

Students will be divided into four groups, each representing a different university in Texas. We will ask all students to wear a shirt in the color that represents that university, for example, Red for Texas Tech. In the email to which this letter was attached, your student will be designated a university and its school color. This is not mandatory, but it will be fun.

Please let us point out a few important pieces of information:

1. Be at Early College High School at **8:00 am** (3600 N Garfield, next to the Allison Fine Arts Building)
2. Find the table with the college team you were designated to.
3. **Bring your own lunch** since all Midland College dining options are closed at this time.
4. Wear comfortable shoes since you will be walking.
5. TSI testing will be administered within two days. After each day, you may go home after you have completed testing. You are NOT required to stay until 4:00 pm.
6. Snacks and small water will be provided; however, feel free to bring your own water.
