

MCARTHUR ELEMENTARY EAGLES NEST

September 27, 2026

Progress Monitoring 1 is completed. Student score reports can be found in FOCUS. We will be meeting with students to review goals for the year. FAST achievement levels range from 1-5. Level 3 is considered on-grade level. Please visit the FAST Portal at www.flfast.org to access additional information and resources, including a Parent Guide that explains each element of the student report and what it means for your student. If your student scored in Level 1 or Level 2, they are eligible to receive free books on a monthly basis through the New Worlds Reading Initiative. Visit <https://newworldsreading.com> for more information.

McArthur does not mandate or grade homework assignments. However, you can support your child at home by ensuring he or she is getting plenty of rest, reading nightly, and practicing math facts. Students have access to IReady at home for additional reading and math practice. Please check FOCUS frequently to monitor your child's progress. If you have concerns, please reach out to your child's teacher.

HOUSE SYSTEM

The start of our school-wide house system has been very successful. Students are earning house points for attendance, behavior, academics, and effort. Ask your child how his or her house is currently doing in the house points challenge. House meetings will begin in October. Our first family house event will be in conjunction with Read and Treat. Points will be awarded for house attendance at the event in addition to other opportunities to earn points for your house. Please remember, parents are also members of the house their child(ren) are in. We hope you will support your house colors at Read and Treat.

UPCOMING EVENTS

Voo Doo BBQ Spirit Night - September 29th

KONA Ice - October 1st

SAC Meeting - October 6th - 1:45 in the Media Center

Teacher Plan Day - No School - October 12th

PBIS Celebration - October 16th

Read and Treat Family Event - October 29th - 5:00

Attendance is extremely important. Please submit an Absence Verification Form or note from a Physician if your child is out. Remember: Every minute counts. Avoid missing instruction by strategically scheduling appointments to not interfere with the school day.

Congratulations
