

Please use [THIS LINK on Total Registration](#) to register and pay for AP exams.

- **Before October 31, 2026 (11:59 pm)**: Students must order BEFORE this date to AVOID late fees
 - The cost of each exam is \$115
- **Between November 1 (12:01 am) and November 6 (11:59 pm)**: Exams ordered during this period incur a \$10 late registration fee, per exam
 - The total cost of each exam becomes \$125
- **Between November 7, 2026 and March 1, 2027**: Exams ordered during this period incur a \$42 late registration fee, per exam
 - The total cost of each exam becomes \$157
- **After March 1, 2027 (11:59 pm)**: No exams can be ordered after this date

When selecting your exam(s):

- Select your teacher and course period.
- Select “no teacher” if you wish to take an exam but are not enrolled in the AP course at our school.

You will then receive a confirmation page and email titled “AP Exam confirmation.” This information will contain:

- Instructions about how to pay on Total Registration if you have not yet done so
 - The cost of each exam is \$115 if ordered by October 31st, 2026
 - If you require financial assistance, you may indicate this on the Total Registration form
- A join code for your exam.
 - If taking an AP class, your teacher may have given you this join code at the start of the school year.

In order to complete the exam registration process, you MUST use this join code to ALSO join the corresponding section on CollegeBoard: [MyAP.CollegeBoard.org](https://myap.collegeboard.org)

- If you’ve already used this join code to join your teacher’s College Board page, you are all set!

For students who require accommodations:

Do not assume that you automatically receive accommodations for standardized testing because you receive accommodations at school

- If you have already been approved for accommodations for College Board testing (which includes the PSAT and SAT), then you are all set for the AP exam.
- If you have never requested College Board accommodations, please have your parent (or you if you have signed the age of majority paperwork) [complete this form by January 9, 2027](#):
- If you are unsure, we highly recommend checking in with your counselor to find out.

- Also, please note that ACT and College Board are different companies. If you have been approved for ACT accommodations, that does not mean you are approved for College Board accommodations.
