HAMILTON LOCAL SCHOOL DISTRICT

Muskingum Ohio Valley ESC DRIVING SCHOOL

HLSD Drivers Education Program

Hamilton Local School District has partnered with the Muskingum Valley Education Services Center (MVESC) to provide a Driver's Education program for our students. The curriculum is approved by the Ohio Department of Public Safety and the instructors are all licensed by the state as well. The course includes 24 hours of online instruction followed by eight hours in-vehicle instruction with a state licensed Hamilton based driving instructor. Upon successful completion, the student will receive a certificate from MVESC driving school that is presented to the BMV when taking their driving test.

Students must be 15 years & 5 Months of age (at time of registration) to begin online training. Online training is open enrollment and done in a self paced manner. Driving Instruction (In-Cars) is conducted through the week and weekends, during breaks and will continue through the summer. Specific times are coordinated between the student and instructor. Normally, the start and end points for the In Car training will be at Hamilton High School.

Students do not need their temporary permit to begin online training, but must have them prior to behind the wheel (in-cars) training. Additionally, any student who has already completed an approved online course previously and has their Valid Temporary Permit, may enroll in drive only (in cars) training. All training must be completed within 6 months of registration (additional fees may apply for extensions). Hamilton Local Schools will provide a vehicle (certified, insured & inspected) for use during the driving portion of training.

The total cost of the driver education program is $350, and it may be broken down into two payments. The first payment is a $100 deposit, this will register the student for the program and allow them to begin online training. The second payment of $250 is required before starting behind-the-wheel training. For drive only training, $300.00 must be paid prior to the start of training. Limited financial assistance scholarships can be coordinated during the registration process. Applications can be picked up in the guidance office during school hours, or email the site coordinator listed below. Students must turn in all application forms and payment must be made prior to enrollment beginning. Payment portal is here: https://driversed.mvesc.org/signup

Additionally, our vehicles can be used by students to take their license exam at the BMV. This must be coordinated at least 2 weeks in advance at a cost of $90.00

The school will give reasonable notice for delays caused by unsafe driving conditions, mechanical failures or any other reason for which it has no control. We reserve the right to limit our service area. On most drives, students will start from a pre-determined location and drop off at the same location. No exceptions will be made.

MOV ESC Driving School reserves the right to cancel this agreement at any time should the students' conduct indicate a lack of responsibility. Students may be denied service or removed from the program if the individual demonstrates inappropriate behavior at any time. Examples include but are not limited to offense language, gestures or any other actions deemed inappropriate by the school personnel. Proper attire must be always worn. No food in the vehicle. Soft drinks or water are allowed if the container has a lid. Cell phones will be silent and put in purse or backpack in the back seat. No smoking. Provide 24 hours' notice if you need to cancel or reschedule your driving lesson. Once you begin the online classroom training no refund will be given for that portion of the training. Should this agreement be cancelled, BTW fees will be pro-rated, and an appropriate refund might be given. **Refunds are not guaranteed, and any refunds are at the discretion of the Site Coordinator and the Director or the Driver Education Administrator.**

Under Ohio Administrative Code of the Ohio Department of Public Safety, a stand-alone agreement for the required 8 hours of Behind the Wheel Training must be signed by the parent (if student is under the age of 18) and the student. This agreement must be signed and in place prior to any Behind the Wheel Training taking place.

Any additional in-car training may be obtained at the hourly rate of $50.00 per hour, only if the instructor agrees that additional in-car training is necessary and his/her schedule permits.

By law, a driving school cannot guarantee the issuance of a driver's license to the student. It should be emphasized that successful completion of the behind-the-wheel course does not and should not imply that the student is an accomplished driver. Your continued work is essential to further develop strong driving skills. It is mandatory that the student have a minimum of 50 hours of additional supervised behind-the-wheel driving with a parent/guardian.

The student shall be liable to the agreement. Driver training is licensed by the Ohio Department of Public Safety through the Driver Training Program, 1970 W. Broad St. Columbus, OH 43223.
