State House, Room 167
24 Beacon Street
Boston, MA 02133

Dear Representative Gentile:

On behalf of the Sudbury School Committee, I would like to extend our sincere appreciation for your efforts in securing a \$50,000 earmark for special education expenses for Sudbury Public Schools.

This funding comes at an important time for our district as we work to meet the diverse needs of our students while navigating increasing costs and budgetary pressures. Your advocacy helps ensure that Sudbury has additional resources to support students with disabilities and provide the services they need to thrive.

We also appreciate your continued commitment to public education and your work to secure state investments that support students, families, and school districts across the Commonwealth.

Thank you for your partnership, your responsiveness to the needs of our community, and your dedication to the students of Sudbury Public Schools. We are grateful for your efforts on our behalf.

Sincerely,

Jessica McCready, Ph.D.
Chair, Sudbury School Committee
