Dear Haldane Middle School Families,

Dr. Seelke will be having a surgery that will require an extended medical leave to begin on October 5th. I know that the Haldane community will join me in keeping her in our thoughts during this time.

We are happy to have identified a seasoned school administrator who knows the Haldane community. Mr. Eric Schetter will provide administrative support to the middle school in Dr. Seelke's absence. Mr. Schetter served as a middle school principal in Arlington, and previously covered an administrative leave at Haldane. He is familiar with our community and looks forward to helping provide continuity of leadership and support for our middle school students. He will be visiting campus this week to introduce himself to our students and our staff.

If you have the need to contact Mr. Schetter you can do so at eschetter@haldaneschool.org. Thank you for your support and please be sure to contact me with any questions.

Sincerely,
Gail Duffy, EdD
Superintendent of Schools
