Advance Notice of Pesticide Treatment

This notice is to be provided whenever a pesticide, other **than a bait** or gel formulation, is to be applied at this **facility**. The information will be posted using the methods identified **in the** Annual Notification.

Attention:This facility utilizes an Integrated Pest Management Program for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time a pesticide application may be necessary to control certain pests.

Please be advised that a pesticide is expected to be applied to control: Wasps

The approximate location of this pest control treatment is: Defer Playground

The anticipated date of treatment will be: Monday, September 28

If you have questions pertaining to this treatment, please contact: Randal Baker 313-432-3089 bakerr@gpschools.org
