

9/25/26

Dear Wyoming Families,

We missed having students in the building on Monday. However, our teachers made the most of the in-service day while our students took full advantage of the opportunity to rest over the three-day weekend. They returned to school on Tuesday eager to engage and excited to learn. It was fun this week to see our students grow and make strides towards achieving their goals.

As you talk with your students about their progress, please also continue to reach out directly to their teachers with any questions about assignments and assessments. This two-way communication is essential to sustaining a healthy partnership between school and home. We are here to help however we can.

Thank you and we wish everyone a great weekend.

Continued Reminder About Sportsmanship:

We recently reminded students about the importance of positive sportsmanship at all school events. This especially includes, but is not limited to, maintaining respectful chants in the student section. Representing Wyoming High School with pride means supporting our teams while treating opponents and officials with respect. Students who choose not to meet these expectations may be asked to leave the event. Thank you for partnering with us to reinforce these values at home!

Important Nurse Reminder:

Parent Reminder: Vaccine Requirement for 12th Graders

Ohio requires students entering 12th grade to receive the **meningococcal ACWY vaccine (also called MCV4 or MenACWY)**. Students need a **second dose given on or after their 16th birthday**.

Without documentation on file, your child's participation in school activities may be affected, including field trips (e.g., the senior trip) and extracurricular programs, including athletics.

What we need:

If your child has already received the required dose, please contact their healthcare provider to request an updated vaccination record.

If your child still needs the vaccine:

Schedule an appointment with your child's healthcare provider. You can also check with local pharmacies or Hamilton County Public Health about availability.

Vaccination records can be:

- **Sent in** with your child
- **Faxed to:** (513) 206-7132
- **Emailed to:** murphyn@wyomingcityschools.org

Counselors' Updates:

September 25 Weekly Application Update

A Note About Transcripts

All transcripts that have Nov. 1 deadlines **MUST** be in the APPLYING column of SCOIR by October 1st.

If you have already added them to the applying column, know that we are processing your transcripts as quickly as possible; however, over 900 transcripts have been requested so it takes time to submit them. Please be patient. Something you can do to make the process more efficient is to move your schools to the APPLIED column after you have submitted your application.

What Happens After I Apply?

After you submit your Common Application, you will receive an email from the university inviting you to set up your account in your portal. This step is crucial, as this is how schools will communicate with you about next steps. **Do this as soon as possible.**

Self-Reported Academic Record

Some of you may be applying to schools that require you to complete the [Self-Reported Transcript and Academic Record](#). This is essentially transferring everything that is on your transcript to the school's STAR portal. Schools do this because it makes it easier and faster to read applications because academic information looks the same for all applicants. If your school requires the [STAR](#), do this as soon as possible because your application will not be complete without it. **You usually have one to two weeks after the application deadline to complete this.** A list of schools that require the STAR is HERE: [Schools that require STAR](#).

Send those ACT/SAT Scores

If you plan to submit scores as part of the application process, in many cases these scores will need to be sent **DIRECTLY** from the testing agency. The Counseling Office does not send scores on a student's behalf and they are not included on the transcript. If official score reports are required, the scores need to be sent at least one month in advance of the application deadline. To send either the ACT or SAT, login in to your portal and follow the prompts to send scores. The link for ACT is [HERE](#) and the link for the College Board (SAT) is [HERE](#). **DO NOT FORGET THIS STEP as you may make your application ineligible for scholarships if the test scores are not received by the application deadline**

Scholarships

This week we are highlighting [Chick-Fil-A Community Scholars Program](#). The application deadline is October 28th. Be sure to research other scholarship opportunities on Canvas.

Upcoming Events

September 30: College Financial Aid Info Session for 9th-12th grades at 7pm in WHS Pendery

October 1: FAFSA goes live

October 1: In SCOIR, add schools to the *APPLYING* column under "My Colleges". **This serves as the official transcript request for schools that have Nov. 1 deadlines.** This can be done earlier, but HAS to happen no later than a month before the school's application deadline.

October 1: Optional [Parent Letter of Recommendation](#) due to College Counselor. Email directly to Dr. Hunter (A-K) at huntera@wyomingcityschools.org or Mrs. Lewis (L-Z) at lewisk@wyomingcityschools.org.

October 12-13: No School

Below this line are noteworthy reminders that have been previously communicated.

Attendance:

To report a student absence, a parent or guardian should send the dates and reason for the absence to whsattendance@wyomingcityschools.org or call 513-206-7062.

District Calendar:

Below is a link to our school calendar so you know the days Wyoming City Schools are in session. Please make every effort to schedule trips, appointments, etc. outside of the school day. Attendance is a key component to students' academic success! [2026-2027 WHS & WMS Calendar-at-a-Glance: Grades 5-12](#) and [2026-2027 Printed Calendar](#).

Instructional Fees:

At the beginning of each school year, instructional fees are assessed based on each student's grade level and/or course/class load. Families can pay existing fee balances at any point online via the [Wyoming PaySchools portal](#).

Any new fees for the 2026-2027 school year were applied to your student's account the first week of September. At which point, families can use the same [Wyoming PaySchools portal](#) to pay these newly applied fees.

Wyoming City Schools strives for financial stewardship and wants to partner with families to ensure fees are paid in a timely manner. Fees are due by October 31 and school buildings will send fee reminders throughout the year. Instructional fee waivers are processed for those students who qualify for free lunch and complete the paperwork required for fee waivers. Applications for free lunch are available [here](#) through our nutrition services partner, Milford City Schools.

Implications for Non-Fee Payment

If a student is not up-to-date with payment of student fees (or is not current with their payment plan with the Treasurer), the following privileges will be withheld each year:

- 7-12 Dances (e.g. Homecoming, Prom, etc)
- 9-12 Class Shirts
- Junior/Senior Parking Spots
- Senior Class Trip (e.g. Washington D.C.)
- Graduation Tickets
- College Transcripts

For example, if a student, who has not paid their fees, goes to purchase a Homecoming ticket, PaySchools would not allow them to make the purchase.

Exam Dates and Schedules:

Please save these dates when planning (i.e., events, activities, appointments, vacations, etc.) around the end of each semester. These are our scheduled exam dates. **No early exams will be administered.** If there are any modifications to these dates and times they will be shared with students and families as early as possible.
