Dear JCHS Project Graduation Supporter:

This coming May the graduating class of Jefferson City High School will walk across the stage to receive their diplomas. Seniors are preparing for the next step in their journey entering the job force, vocational training or furthering their education in universities.

Project Graduation is an independent 501(c)(3) whose sole purpose is to provide High School graduating seniors a safe no-cost, tobacco-, alcohol- and drug-free celebration. We include entertainment, food and prizes for each attendee. With proper funds and support this night can be a fun event that gives students a safe place to celebrate, as well as each student can leave the event with helpful things to start their post high school world with dorm needs, items and gift cards setting them up for success.

We are in need of financial support from individuals and businesses who share our vision in providing a safe night of celebration to finish off their high school years. It is our goal to make this year's project grad the best it can possibly be! Our fundraising goal covers event & location rental costs, entertainment, food, and prizes for the over 200 seniors at Jefferson City High School. We are also looking for food and drink donations as well as prizes to award the seniors. We humbly ask for your assistance. Please consider a tax deductible sponsorship or donation to help make this event fantastic.

If you have any questions, please contact us at
jchs.projectgraduation@gmail.com

Sincerely,

JCHS Project Graduation 2027 Team

YOUR FINANCIAL AID TIMELINE

Some financial aid is offered on a first-come, first-served basis. Here's your guide to staying ahead of the deadlines so you don't miss out on any potential financial aid.

SEPTEMBER

Create an **FSA ID**, which is your username for certain US Department of Education sites, at [FSAID.ed.gov](https://fsaid.ed.gov).

Prepare for the **Free Application for Federal Student Aid (FAFSA®)** by gathering financial and tax information as well as Social Security and driver's license or government ID numbers.

Mark the **calendar** with the financial aid deadlines for each school you are applying to.

Research and apply for **scholarships**. Check with your high school counselor for suggestions and information about local options.

DECEMBER

Accept your **early decision financial aid package**, if applicable.

MARCH

Compare financial aid offers from your potential schools at CollegeCovered.com/Award-Letter-Tool

JUNE 30

Last day to apply for the **FAFSA** for those already in college and seeking financial aid for the year you've just completed.

OCTOBER 1

The **FAFSA** and **CSS Profile™** become available. Complete these early, as some schools offer financial aid on a first-come, first-served basis.

NOVEMBER

It's **National Scholarship Month!** Visit DiscoverStudentLoans.com/Scholarship to search over 3 million scholarships.

Once you submit your **FAFSA**, you will receive a **Student Aid Report (SAR)**. Review the SAR and make any corrections to your **FAFSA**, if needed.

JANUARY

Continue applying for scholarships.

MAY 1

National Decision Day. Notify the school you plan to attend and pay your deposit no later than today.
