

If you do not have a Student Progress Center account or the JC Student App,

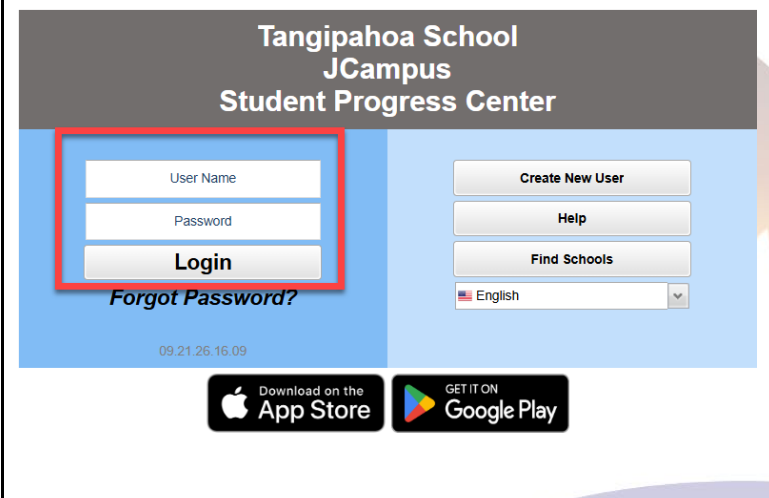

Go to this website to create your account and/or download the app: <https://www.tangischools.org/academics/studentprogress>. After your account is created, you can view your student’s progress in two ways- from either your phone or your computer. Instructions on how to access either method can be found below.

How to check your child’s Progress Reports/Report Cards from the JC Student App:

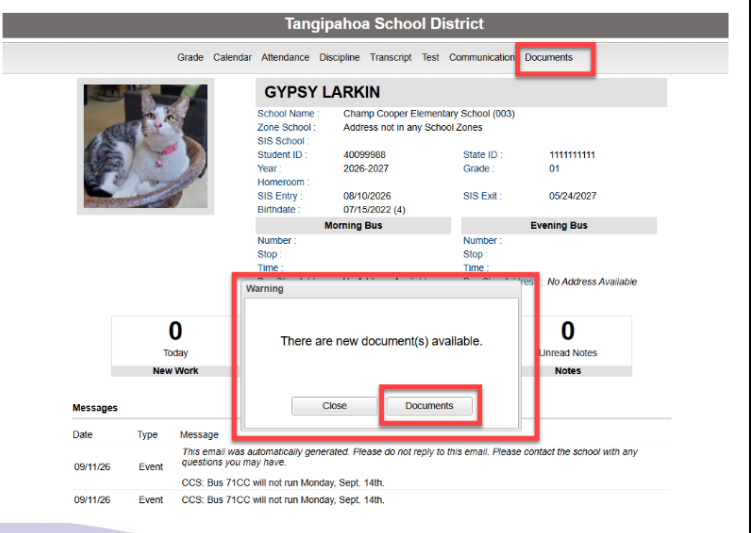

Step 1: Open the “JC Student” app on your phone and log in. 	Step 2: Click on the student: 
Step 3: To view their Progress Report or Report Card, click on “Documents” 	Step 4: Click on View to see the document: 

How to check your child’s Progress Reports/Report Cards from Your Computer:

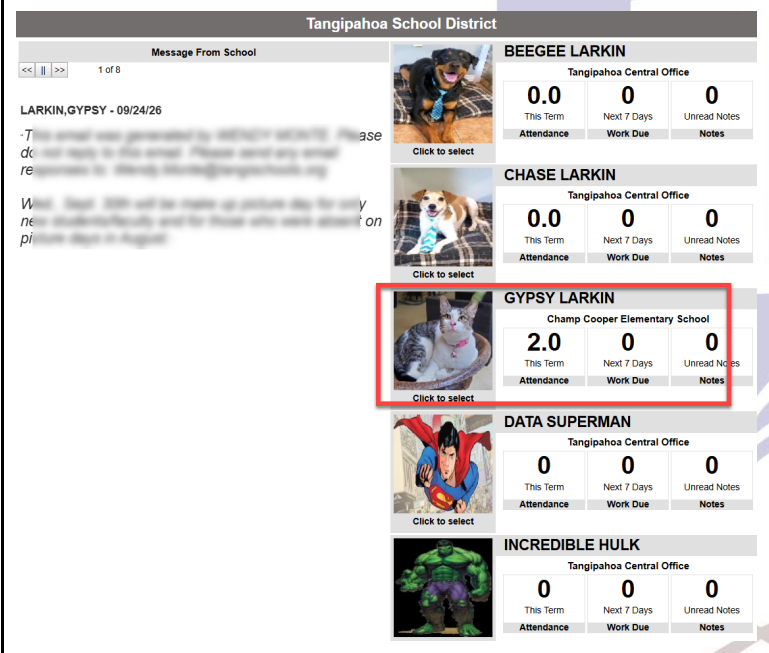

Step 1: Go to <https://tangi.edgear.net/progress/> and sign in:

Step 2: Click on the student:

Step 3: If a new Progress Report or Report Card has been sent, you will get a pop up box notifying you that a document is available to view. If this box does not appear when you get to this screen, just click on the “Documents” button at the top right of the menu bar:

Step 4: Under the Documents section, you will see the Detailed Progress Report or Report Card that was sent. Click on the document to open it.
