

NYS Wellness Policy Assessment Tool

This template provides information on wellness policy goals and practices within the LEA. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school. The wellness policy and completed assessment must be made available to the public.

LEA Name: Eden CSD	
School Name: GLP	Date: 05/25/2027
Grades: PreK-2	
Name/Title of person completing report: Frances May, Assistant Superintendent for Finance	

Yes	No	Nutrition Education
☒	☐	The written wellness policy includes measurable goals for nutrition education that are designed to promote student wellness.
☒	☐	Standards based nutrition education is offered in a variety of subjects (i.e. science, math).
☒	☐	Lifelong lifestyle balance is reinforced by linking nutrition and physical activity.
☒	☐	Age appropriate nutrition education and activities are provided to students in: <div style="display: flex; justify-content: space-around; margin-top: 5px;"> ☒ elementary school ☐ middle school ☐ high school </div>
☒	☐	Families and the community are engaged in nutrition education efforts.

Indicate additional nutrition education activities that occur or are planned for the future:
 We partnered with our Food Service Management Company to provide nutritional taste testing with our students beginning in the 2026-2027 school year. These taste testings will include fresh fruits and vegetables as well as healthier meal options before they are added to the menus to entice students to select the healthier options.

Yes	No	Physical Activity
☒	☐	The local wellness policy includes measurable goals for physical activity.
☒	☐	Physical education is provided to students on a weekly basis.
☒	☐	Before or after school physical activity is offered in sports or other clubs.
☒	☐	Community partnerships are available that support programs, projects, events, or activities.
☒	☐	A staff wellness program is available.
☒	☐	Opportunities are provided for physical activity throughout the day.
☒	☐	The written physical education curriculum for each grade is aligned with national and/or State physical education standards.
☒	☐	Recess is available for all elementary students (skip this question if no elementary schools).
☒	☐	Walk or bike to school is promoted for students with Safe Routes to School or other related programs.
☒	☐	The local wellness policy addresses physical activity not being used as a punishment and not withheld as punishment.
<p>Other physical education/physical activity/school-based activities that are available:</p> <p>Kaboom Room</p> <p>Fun Run</p> <p>Tricycle course/race for UPK students</p> <p>Field Day(s)</p> <p>PE everyday for 25 minutes for all students</p>		
<p>Future goals for physical activity:</p> <p>Continue to purchase play ground equipment and renovate our playground spaces to be welcoming and encourage physical activity throughout the day.</p> <p>Wellness Committee is discussing ways to plan more organized group activities for students and staff.</p>		

Yes	No	Standards for USDA Child Nutrition Programs and School Meals
☒	☐	The local wellness policy addresses nutrition standards for USDA reimbursable meals.
☒	☐	The local wellness policy addresses access to the USDA School Breakfast Program.
☒	☐	Alternate school breakfast service models are available to increase participation such as “grab and go”, breakfast served in the classroom, and breakfast after the bell.
☒	☐	Steps are taken to protect the privacy of students who qualify for free or reduced-priced meals.
☒	☐	Free drinking water is available during meals.
☒	☐	Annual training is provided for food and nutrition staff in accordance with USDA Professional Standards.
☒	☐	School nutrition staff meet hiring criteria in compliance with federal criteria.
☒	☐	The local wellness policy addresses purchasing local foods when possible for the school meals program.
<p>Other ways the local wellness policy addresses school meals and nutrition standards:</p> <p>Promote healthy snack choices in school. The Wellness Committee had a thorough review of our breakfast menus with our Food Service Management Company and worked to ensure meals (including milk offerings) focus on teaching students healthy eating habits. This included removing a lot of the highly processed and sugary meal options and replacing with more whole food options.</p>		

Yes	No	Nutrition Standards for Competitive and Other Foods and Beverages
☒	☐	<p>The local school wellness policy addresses compliance with USDA nutrition standards (commonly referred to as Smart Snacks) for all food and beverages sold to students during the school day including:</p> <p>☒ as a la carte offerings ☒ in school stores ☒ in vending machines</p> <p>☒ as fundraisers</p>
☒	☐	Nutrition standards are followed for food/beverages served at school parties, celebrations, events, etc.

Notes and future goals on nutrition standards for competitive and other foods and beverages:

Continue promoting healthier food choices during special events and school celebrations

Yes	No	Wellness Promotion and Marketing
☒	☐	Marketing on the school campus during the school day is only allowable for those foods and beverages that meet Smart Snacks standards.
☒	☐	Steps are taken to address strategies to support employee wellness.
☒	☐	Fundraising is supportive of healthy eating by emphasizing the sale of healthy food items or of non-food items.
☒	☐	Healthy meal choices are offered and being promoted in the school meal programs.
☒	☐	Farm to School activities take place at the school such as having a school garden, taste-testing local products, and educating students in the classroom and on field trips about local agriculture.
<p>Other ways wellness is promoted at the school:</p> <p>Continue to purchase equipment to ensure students are more active during recess.</p> <p>Attended the TeamSmile event with University of Buffalo School of Dental Medicine at the Buffalo Bills Field House for dental care.</p>		
<p>Future wellness goals:</p> <p>Continue to work with our Food Service Management Company to introduce healthier menus and promote healthy eating habits.</p> <p>Create incentives and district-wide challenges to promote physical activity/recess.</p> <p>Continue promoting healthier choices during special events and school celebrations.</p>		

Implementation, Evaluation, and Communication		
<p>The following are encouraged to participate in the development, implementation, and periodic review and update of our local wellness policy:</p>		
☒ Administrator	☒ School Food Service Staff	☒ P.E. Teachers
☒ Parents	☒ School Board Members	☒ School Health
☐ Professionals	☒ Students	☐ Public
