SAU 70 Announces Robin Berube as New Business Administrator

HANOVER, NH — School Administrative Unit 70 is pleased to announce the appointment of Robin Berube as its new Business Administrator. Berube brings extensive experience in New Hampshire state government and a strong background in financial and administrative operations to the role.

With many years of service to the State of New Hampshire, Berube has developed extensive knowledge of government operations, financial processes, budgeting, and public-sector administration. This experience will provide a strong foundation for supporting the financial and operational needs of SAU 70 and its member school districts.

As Business Administrator, Berube will oversee the District's business and financial operations and work collaboratively with the Superintendent, administrators, staff, school boards, and community members. The position plays an important role in budget development, financial planning, reporting, and the day-to-day business functions that support the district's schools.

"We are excited to welcome Robin to SAU 70," said Superintendent Steiner. "Robin's extensive experience with New Hampshire state government, combined with a deep understanding of public-sector operations, will be a valuable asset to our district. We look forward to the knowledge, perspective, and service Robin will bring to this role."

Berube will begin serving as SAU 70's Business Administrator on October 8, 2026.

About SAU 70

School Administrative Unit 70 provides administrative and educational support to the school districts serving Hanover, New Hampshire and Norwich, Vermont. SAU 70 works collaboratively with school boards, administrators, staff, families, and community members to support student learning and the success of its schools.
