Superintendent's Report

BLOCK PARTY VIBES!

Good Times. Great Neighbors. One Community.

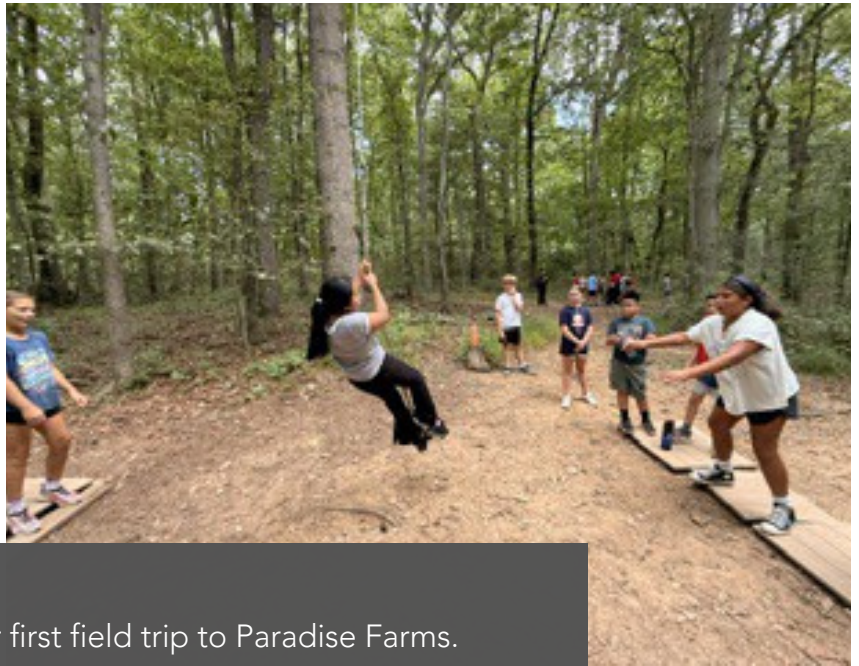

Families came together for an evening of fun, laughter, and community at the Penn London Block Party. From spending time with friends and neighbors to enjoying all the activities, it was a wonderful way to celebrate the start of a new school year.

A big thank you to the PTA and volunteers who helped make the evening possible!

One Hive. One Community.

Our fifth graders had an incredible time on their first field trip to Paradise Farms. Throughout the day, students jumped into hands-on team building activities, working together and using critical thinking skills to solve fun challenges as a group. We are so proud of the cooperation and problem-solving they showed!

PBIS in Action: Grove Bucks at Work!

Our PBIS program recognizes students for demonstrating our schoolwide expectations: Be Respectful, Be Responsible, and Be Safe! Students can earn Grove Bucks for making positive choices and use them to purchase special rewards and experiences. This week, students cashed in their Grove Bucks for the opportunity to enjoy lunch outside with friends—a fun way to celebrate positive behavior and build connections at AGMS!

High School Connections: Building Strong Work Habits

Did you know: The habits that worked in middle school may need to be adjusted to meet the demands of Avon Grove High School.

With more classes, longer-term assignments and less day-to-day reminding, students are expected to take greater ownership of their learning.

The habits that make the biggest difference are simple:

- Write assignments down rather than relying on memory.
- Check Schoology regularly.
- Start long-term projects early—not the night before.
- Establish a consistent place and time for completing schoolwork at home.

Ninth grade is an ideal time to build these habits while students are still adjusting to the expectations of high school. Adult encouragement and reinforcement can make a meaningful difference.

If your student needs additional guidance with organization or developing strong work habits, their school counselor is here to help.

Connect with a Counselor

We Heard You!
Satisfaction survey results indicate families want earlier, more proactive counseling.

Celebrating Hispanic Heritage Month

The AGMS Hispanic Heritage Month flag display celebrates the rich diversity of our Avon Grove community, featuring flags representing the United States, Puerto Rico, and 20 Spanish-speaking nations.

Students were invited to write their names beneath the flag representing their country or countries of heritage—a simple but meaningful way to celebrate the many cultures, histories, and traditions that make our school community unique.

Together, these flags and names offer a beautiful reminder that our diversity is part of what makes AGSD stronger.
