Music or Art Scholarship for FREE lessons from Let's Play Music!

Let's Play Music and Make Art, LLC is offering students grades K- 12 a 3-month and a 1-month scholarship and for FREE music or art lessons on any instrument, voice, or art medium. This will include 12 thirty-minute, private lessons or group classes valued between $159- $954.

What If I don't have an instrument?

Ready to Rock (ages 4-5 & 6-8) includes instruments and materials. Options for students without an instrument are voice or art lessons, an inexpensive instrument such as a recorder or ukulele, rent an instrument from us (most are $30 per month), or purchase a new or used instrument. We do have new or used instruments available. Electronic materials are included with this scholarship, but physical books are not.

How do I Apply?

Students who wish to apply are asked to write a short essay (200 words or less) to express how music or art is meaningful to them, and why they would like to take lessons. Parents may take dictation from students who do not yet know how to write fluently. To apply, either use the QR code below or fill out the info on the cover sheet on the back and submit to your school music/art teacher.

What if I already take classes at Let's Play Music?

Current Let's Play Music students may apply for additional lessons, but not in lieu of current lessons. These lessons can include more time on your current instrument, an art class, or an alternate instrument or art session.

What is the application deadline?

October 30th, 2026

Is this really free?

Yes! Let's Play Music is committed to encouraging the many benefits of an arts education in our community!
