Test Coordinator

September 14, 2026

Dear Parent/Guardian:

Hello! I am the Testing Coordinator for OVS, and I am writing to you concerning the upcoming Pre-ACT test for our 10th grade students.

The State Board of Education is required by General Statute § 115C-174.22, to plan for and require the administration of the PreACT test to all public-school students in tenth grade. The PreACT assessment measures what students have learned in their courses and helps educators identify the information that students still need to learn to succeed in college or a career.

Your child is scheduled to take the PreACT via online format on Tuesday October 20 -Thursday October 22 at the OVS office in Jacksonville. **This test must be taken in person,** and it cannot be administered remotely. A link will be available on the OVS website by Friday October 2 that will give the students their test date and location. This link will also be posted in TEAMS and emailed to parents and students. Students should arrive by 8:00 AM on their designated test date.

The PreACT simulates the ACT testing experience by providing students with early exposure to ACT test-quality questions. The PreACT is reported on the same 1–36 score scale as the ACT, but PreACT has a maximum score of 35. The PreACT also provides a predicted ACT composite score range.

The PreACT assessment includes four multiple-choice tests: English, math, reading, and science. The PreACT is designed to help parents and educators identify areas where students may need additional academic support or remediation. The PreACT can also help to initiate strategic conversations between parents and schools regarding dual enrollment decisions, identifying curriculum gaps, implementing interventions on behalf of students, and choosing Advanced Placement classes.

If you have questions or concerns about the PreACT, please contact me by phone or email.

Sincerely,

Suzette S. Kliewer
