

Family/School Agreement

This agreement pledges our school community (parents, students, and teachers) to increase student reading and math skills so that all students will be proficient in the standard objectives set for their grade level.

Parent's Pledge: I will...

- Send my child to school every day and ensure they arrive on time.
- Monitor my child's progress and let the teacher know right away if I notice any problems.
- Use reading and math materials the school sends home each week to help my child.
- Review homework nightly.
- Read with my child at least 20 minutes a day.
- Limit TV/electronic games during the week.
- Check book bags and agendas every day.
- Monitor my child's usage and treatment of school-issued technology devices.
- Remind my child to charge the computer nightly.

Student's Pledge: I will...

- Come to school every day, on time and expecting to learn something new.
- Ask for help from my teacher and family if I am having trouble doing my work.
- Read on my own or with my family every day for at least 20 minutes.
- Work on my math and reading skills at home using the material my teacher sends home.
- Write down assignments, do my homework every day, and turn it in when it is due.
- Be polite and respectful to all adults and other students.
- Use my school-issued technology device in a safe and responsible manner.
- Keep my computer charged and ready to use.

Teacher's Pledge: I will...

- Build a relationship with every family in my class.
- Keep families informed of their child's progress and needs in each subject.
- Make sure every student receives the help they need as soon as it is needed.
- Send home learning materials in math and reading along with homework assignments.
- Explain my approach to teaching, expectations, and grading to students and their families.
- Work on my reading and math strategies so that I can reach all children.
- Make sure students understand assignments and what they are expected to learn from them.
- Ensure my students learn something new every day.
- Incorporate technology to engage and maximize student learning.
