

GLADDEN FARMS TRAFFIC SAFETY MEETING

Dear Gladden Farms community members,

Thank you to everyone who joined us last night for the community meeting at Tangerine Farms K-8. We had attendance from across the Gladden Farms community, and we are grateful to each of you for taking the time to share your perspectives. Town Council and staff, Marana Unified School District staff, and representatives from the Gladden Farms HOA all engaged in meaningful conversations with residents about how children move through the neighborhood and how we can continue to support a safe, connected community.

If you were not able to attend, you still have an opportunity to participate. Now through **Wednesday, September 30**, you can add your child's walking or biking route to school using the digital map:

Travel Paths to School or scan the QR code on the right:

<https://survey123.arcgis.com/share/b38431fa4e3541ba9f5219380db03243>

If your child regularly walks or bikes to other places in the community—such as parks, Fry's, or other amenities—you may submit a second route as well. Please note that only one route can be entered at a time, and routes should reflect locations your child frequently walks or bikes.

This information from residents will help guide additional data collection and analysis. Staff will use your input to work with the Marana Police Department to measure vehicular traffic patterns, evaluate whether adjustments to signs and roadway markings are warranted, and consider public education tools, training opportunities, and other innovative safety solutions that may arise from your feedback. Your participation directly informs how we prioritize resources and develop responsive, community-centered safety strategies.

We will share updates, findings, and next steps through established communication channels such as the PTOs and HOA, and we will continue exploring additional avenues to ensure you receive timely and transparent information.

Thank you again for your engagement and for your commitment to the safety of the Gladden Farms community. We deeply appreciate the trust you place in us and the opportunity to serve you.
