Proposition 28: Arts and Music in Schools Funding Annual Report

Fiscal Year 2026-27

Name: Ocean View
CDS Code: 3066613-0000000
Allocation Year: 2025-26, 2024-25, 2023-24

1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

Ocean View School District serves preschool through 8th grade students across 13 public school sites and continues to build a comprehensive, innovative arts education program at the elementary and middle school levels. Building on the program last year, Proposition 28 funding supported a significant increase in dedicated arts staffing. The District added a contracted transitional kindergarten music teacher, expanding music instruction to every TK through 5th grade student, and moved TK through 3rd grade music to a weekly schedule. Certificated staffing for music grew to three teachers plus the new contracted position, and certificated visual art staffing grew to four teachers, broadening visual arts access for elementary students Districtwide. The itinerant elective dance program continues to serve two middle schools, and a Spanish speaking art teacher now dedicates three of five teaching periods to Prop 28 funded middle school art sections. The District also added a 0.40 FTE instructional aide to support the development of dance skills for students. To strengthen performing arts education, classified staff continue to provide after school technical support for a middle school VAPA program, supporting students with production and managing live performances. The District also continued and expanded intervention support for students through reading instruction with theatrical scripts and STEM activities at three elementary schools, using arts integration as another pathway to reach struggling students. Every TK – 5th grade elementary student in the District now receives both visual art and music instruction. These investments reflect a deep commitment to ensuring all students have access to diverse, high-quality arts experiences as part of a well-rounded education.

2. Number of full-time equivalent teachers (certificated).	9.5
3. Number of full-time equivalent personnel (classified).	0.2
4. Number of full-time equivalent teaching aides.	0.4
