

- The site has the capacity for new enrollment and the request is before the end of the second week of a new semester.
- The student has documentation to support that attending school in-person poses an “imminent risk” for themselves or someone in their household.
- The parent and student understand that if approved to move to Coolidge Virtual Academy for grades 9 – 11, the student may not be approved to return to an in-person setting until the first semester of their senior year.
