SCAN TO CREATE YOUR ACCOUNT

1	CREATE YOUR ACCOUNT Visit MySchoolBucks.com or scan the QR code above. Select “Sign Up Free” and create an account using your email address and a password.
2	ADD YOUR DIMAN STUDENT After signing in, select the option to add a student. Enter the student’s name and the information requested by MySchoolBucks, such as the student ID number and/or date of birth.
3	YOU’RE READY TO GO! Once your student is connected, you can view the account and use available MySchoolBucks services, including making payments when applicable.

BEFORE YOU START

- Have a valid email address available. Your email is used as your MySchoolBucks username.
- Have your student’s information available. The exact information required may vary by school/district.
- If you do not know your student ID/PIN, contact the school cafeteria for assistance.

IMPORTANT

Creating a MySchoolBucks account is free. If you use MySchoolBucks to add funds, a program/convenience fee may apply. Families may also have other payment options through the school.
