CONGRATULATIONS, SEAHAWK CROSS COUNTRY (XC)! Young Runners, Big Strides

The Franklin County cross country team is off to an impressive start this season, with its largest roster in years. The Seahawks have 16 runners — nine girls and seven boys — and a young team that includes just two high school runners.

Seniors Addyson Paul and Nathaniel Cabrera are the team's only high school athletes, while the remaining runners are in grades 4-8.

Despite the team's youth, the Seahawks are already making their mark. The girls recently earned their first team victory of the season while competing in a varsity meet with a lineup made up primarily of middle and elementary school runners.

"Despite being so young, they are already making their mark," head coach Anna Bull said. "Our girls recently earned their first team victory of the season while competing in a varsity meet — with a lineup made up primarily of middle and elementary school runners. Both teams continue to compete hard and represent Franklin County with pride. The future is bright for Seahawk cross country!"
