9/24/26 Principal's Message

Hello Mustangs,

Jogathon fundraising starts this Friday!

The Jogathon is our school's biggest fundraiser of the year, and we are excited to kick off fundraising. Your student will receive a Jogathon flier tomorrow with everything you need to get started. Our goal is to raise \$70,000 and I know we can meet our goal! Thank you for always supporting our school as PTA is our main source of funding.

Set up your student's personal fundraising page here:

<https://bit.ly/4rs07FT> and mark your calendar for Friday, October 16! Parents, family members, and

Mariemont Updates

Jesuit Student Volunteers @ Mariemont

In our second year of partnership with Jesuit High School, we have student volunteers on campus each Monday and Friday. The students engage with our kids for fun recess activities such as Red Light, Green Light (pictured) and support our PE programs for general education and SDC. We love having them at Mariemont!

Orangevale Fair Oaks Food Bank

Thank you to all students and families who have donated to this year's food drive with Orangevale Fair Oaks food bank. We will continue to accept donations until Oct. 9th and our school is loving the friendly grade level competition; the grade level that donations the most items wins an ice cream sandwich party.

Students and families are welcome to volunteer at the Food Drive event on Oct. 17th.

If you're planning to volunteer, please sign up using the link below, so we can ensure you receive a

T-shirt and your volunteer check-in information.

When you arrive to volunteer, please enter from the Greenback Lane entrance and make a left. Volunteer parking will be behind the gym.

We're looking forward to another wonderful morning filled with collaboration, volunteering, laughter, and community spirit, bringing together so many different groups and individuals for one great cause.

Please Complete Your Household Income Information Form

As the school year begins, we want to remind you how important it is to provide household income information annually. This information directly impacts the amount of state and federal funding our schools receive to provide programs and staff to our students.

A variety of critical programs, grants, and funding, for **ALL** schools, is dependent on data related to income levels. School funding information is used to determine LCFF site funding, Title I eligibility and priority access to various programs for families. It's important for you to understand that this information is kept confidential and allows the district to provide additional resources to support all students. These **resources include enrichment, intervention, additional staff, technology and supplemental materials**.

This funding supports:

- Academic intervention
- Social-emotional well-being
- Supplemental staff
- E-rate and other programs
- Title I rankings
- Sun Bucks for eligible families

Please complete the School Funding Form **or** the Universal Benefits Application (UBA) form in the Parent Portal (Q) or use the link below.
