

It's time to **SCREEN** your child.

Early Childhood Screening is a process that supports children being ready for kindergarten. The program helps find possible health or developmental concerns that may impact a child's learning. A child may be screened between the ages of 3 and the start of kindergarten as **required by law**.

A TRAINED PROFESSIONAL WILL CHECK:

- Vision and hearing
- Height and weight
- Large and small motor skills
- Thinking, language, and communication abilities
- Social and emotional development
- Health and Immunization record
