MEMORIAL WALL AT BEN DAVIS HIGH SCHOOL

Purpose – To establish a permanent posthumous recognition of outstanding individuals who have made significant contributions to education in the Metropolitan School District of Wayne Township.

Guidelines – Nominations for enshrinement should be made to the MSD of Wayne Township Education Center in care of Superintendent Shenia Suggs. Nominations may be submitted at any time. However, to be included in the current group for consideration, the nomination must be received by March 19. A nomination for an individual not initially selected for enshrinement would need to be re-submitted for any future consideration.

Selection – A committee consisting of the Superintendent of Schools, Chief Communications Officer, Assistant Superintendent for Human Resources, Ben Davis High School Principal, and the MSD Wayne School Board President will select approximately five individuals every two years. Selection will be based on the significance of the individual's contributions, the precedent being established, and other possible means of recognition.

Ceremony – Enshrinement will be made in conjunction with the Biennial Arts Alive Festival at Ben Davis High School.
